Registration & Tuition Information

DON’T BE DISAPPOINTED! ENROLL EARLY!

Registration is Easy

Visit the Continuing Education Office (Room 2217 or 2218). Individuals may register for a course anytime prior to three business days before class begins unless alternative arrangements are made. Since many courses fill early, ensure a seat in the courses you want by registering as soon as possible. A class with insufficient enrollment will be cancelled two days prior to the start of the class. Students are officially enrolled only when they receive a tuition payment receipt from the Business Office. Instructors will take attendance at class meetings. If you do not have a receipt, go to the Continuing Education Office for assistance.

Tuition Charges

Tuition for courses CE 014 is $89 per credit hour with a one-time per term non-refundable registration fee of $30. Out-of-District tuition applies for CE 014 courses. Tuition for all other courses is specified in course description.

Acceptable Forms of Payment

All forms of payment are accepted including cash, money orders, personal checks, Visa or MasterCard. Checks returned for Non-Sufficient (NSF), or stopped payment, will incur a charge to the student of $50. Student who have once given City Colleges of Chicago one of the preceding checks will not be allowed to make subsequent payment by check.

Cancellations

You will receive a full refund if the college cancels a course. Please register early to prevent cancellations! A course with insufficient enrollment will be cancelled approximately three days before the course begins. We will contact you by phone if your class is cancelled.

Refunds and Withdrawals

Student-initiated Withdrawals
Refunds are issued to eligible students based on the official date of withdrawal. Students must officially inform the college in person 24 hours before the first class meeting. They must complete a withdrawal form in room 2217 or 2218. NOTE: You must officially withdraw from a class even if you do not attend.

- 100% refund for withdrawal before the first class meeting;
- 100% refund for cancelled classes;
- No refund after the first class meeting.
Testing and Other Information

Testing Information

Students pursuing the Basic Nursing Assistant program may need to take the reading comprehension placement test. Students will need to come into room 2217 or 2218 to determine if they need to take the test. If a student needs to take the test, he or she will need a testing waiver (received in room 2217 or 2218) and his or her State driver’s license, or another approved form of identification. Placement testing is conducted in room 1109 during the following hours:

Monday-Wednesday: 8:30 a.m. — 3:00 p.m.
Thursday: 8:30 a.m. — 5:00 p.m.
Friday: 8:30 a.m. — 2:00 p.m.

College to Careers

To ensure Chicagoans are prepared for careers in growing fields and are able to seize the tens of thousands of new job openings over the next decade, City Colleges have launched College to Careers (C2C).

The C2C program forges partnerships between City Colleges and industry leaders to better align City Colleges’ curricula with the demand in growing fields. These partnerships provide City Colleges’ students access to real-world experience via teacher-practitioners, internships and top-notch facilities, and offer City Colleges’ students and graduates a first pass at job opportunities.

Malcolm X College has been designated as the healthcare hub for City Colleges. We provide academic instruction and training in a variety of health care related programs. If you are interested in enhancing your current skills, changing careers, or would simply like information about our programs, feel free to call or visit Malcolm X College.

Health Professional Pathways

The City Colleges is one of the nine H2P Consortium grantees. The Department of Labor awarded Consortium with a grant to design and implement the goals of Health Professions Pathways (H2P).

The Healthcare Professions Pathway Consortium was created with a strategic objective to galvanize a national movement to dramatically improve health profession training. H2P seeks to increase the attainment of degrees, certificates, and other industry-recognized credential as well as a better prepare the targeted population for high-wage, high-skill employment in health professions.

All students are eligible, especially those that are:

- Trade-impacted
- Veterans
- Unemployed
- Dislocated
- Lower skilled worker
- Currently working in the health care field
- Current CCC or MXC student who has not been accepted into a health-science program of study.

Career opportunities are booming in the healthcare fields and are expected to grow over coming decades. At Malcolm X College, we offer comprehensive programs to prepare you for a health care career.

Careers in Health & Fitness

Basic Nursing Assistant Program (B.N.A.)
This Basic Nursing Assistant program is an eight-week program (140 hours in the classroom). Basic principles and procedures of patient care are obtained through lecture and laboratory on campus and supervised clinical experiences at an offsite healthcare facility.

The program prepares students to give personal care to patients by helping them meet basic human needs. The nurse assistant works under the supervision of a registered nurse and/or licensed practical nurse.

B.N.A. is approved by the Illinois Department of Public Health (IDPH) for Nurse Assistant Certificate. Students who completed in the program must successfully pass a state-approved competency exam to become certified as Nurse Assistant in the State of Illinois.

Admission Requirements:
- Attain an acceptable score on the reading section of the COMPASS test;
- Speak and understand the English language;
- Attend an information session;
- Sign a disclosure and authorization approval form for a fingerprint and background check;
- Have a valid Social Security card;
- Attend a mandatory orientation session held one week prior to the start of class (evening classes will have their orientation on the first day of class);
- Updated physical examination within a year.

Lifting of patients is one of the required skills. If you are pregnant or under a doctor’s care, you should consult your doctor BEFORE registering for this class.

Transition to the Next Level

Early School Leaver Transition Program

The Early School Leaver Transition Program (ESLTP) is a **FREE**, state-funded, cooperative vocational education program designed for students who did not complete high school and who are between the ages of 16 – 21. The program also assists students with re-entry into the educational system and with job placement.

Students must score a minimum of 9.0 on the Reading Placement Exam to qualify for the Early School Leaver Transition Program. Transportation benefits are available for students who qualify.

Contact Diane Brandon at (312) 850-7269 or by email at dbrandon3@ccc.edu for more information.
