• A Learning Community (LC) consists of linked classes with interested students taught by great professors
• Students take at least two courses with the same group of students
• Instructors create integrated assignments that help students learn and succeed in both classes

WHY SHOULD I ENROLL IN A LEARNING COMMUNITY THIS SEMESTER?
• Meet other college students, build friendships, and study with enthusiastic instructors
• Get connected with your college advisor, who will help keep you on track to graduation
• Connect what you learn and do in one class to what you learn and do in other classes
• Explore important and engaging issues within a supportive learning environment
• Participate in fun social events and go on class outings together

HAVE OTHER STUDENTS DONE WELL IN THEIR LEARNING COMMUNITIES?
Compared to students who took regular, separated classes in Fall 2012, Learning Community students were 13% more likely to stay in class and 10% more likely to pass with a “C” or better.

I'M INTERESTED! HOW DO I ENROLL IN A LEARNING COMMUNITY?
1. Check the LC list for Math, English, or other courses you are eligible for this semester
2. Pick a Fall 2014 LC that's right for you
3. Visit an advisor in Room A120 in the Arts Building to register and ask questions
