*Reinvent yourself in a matter of weeks.*

The continuing learning needs of the South Side’s business and social community are served through Olive-Harvey’s continuing education initiative. **Register early**, as classes must meet a minimum standard of enrollment to run. Consider enrolling with your friends, family, or co-workers.

Visit The Adult & Continuing Education Admissions Office in Room 3114 for information about Adult & Continuing Education classes or call (773) 291-6292.
Section 1 – Allied Health

Basic Nursing Assistant (BNA)
CE 014 624, CE 014 625, and PER OH 1540
This program provides the training necessary to earn the Illinois State Certificate as a Certified Nursing Assistant. Training includes classroom, laboratory instruction and clinical experience. Home health care is stressed to qualify the student for both home and institutional employment. Prerequisite: High school diploma or GED, evaluation and orientation.
BNA has a mandatory CPR class.
Program is WIA eligible.
Tuition: $968 plus additional expenses (Books, materials are not included in tuition)
Instruction for this program occurs at the Olive-Harvey South Chicago Learning Center.
MTWH: 5:15PM – 10 PM
Meetings: (January 28 to May 4)

Pharmacy Technician
CE HLTH 171, CE HLTH 172, and CE HLTH 173
Learn to provide technical and clerical support to pharmacists in hospitals, clinics or retail pharmacies. Program completers can earn certification from the Pharmaceutical Technician Certification Board (PTCB).
Prerequisite: High School Diploma or GED
Tuition: $1,350 WIA eligible
*Additional expenses include books, Pharmacy Tech license fee and exam fee.
T, TH, 7PM - 9:30 PM
Meetings: (January 15 – May 9)

Phlebotomy Technician
CE HLTH 102
Get the comprehensive skills required to obtain blood specimens from patients. Phlebotomists are employed in a variety of patient-care settings, including hospitals, clinics, physicians’ offices and laboratories. Program completers can earn certification through the National Phlebotomy Association.
Tuition: $1,630 | Additional expenses include books, uniforms, equipment, physical, medical requirements, background check, drug screen, and exam fee.
Meetings: (January 15 – May 9)
T, W, TH 6PM – 10PM

CE HLTH 104, CE HLTH 105, CE HLTH 106, CE HLTH 153, CE HLTH 154, and CE HEALTH 155
Provide value in a doctor’s office by solving billing problems, filing claims, completing insurance forms, tracing delinquent claims, appealing denied claims, and using generic forms to streamline billing procedures. 
Prerequisite: High school diploma or GED
Tuition: $1,575 | Additional expenses include books and exam fee.
T, R 6PM – 10PM
Meetings: (January 15 to May 9)

HIPAA Compliance (ONLINE CLASS)
Are you a health care professional or considering a career in the health care industry? Do you provide products or services to a health care organization? If the answer to either of these questions is yes, then it’s mandatory that you understand the requirements of HIPAA compliance. This groundbreaking legislation requires all health care professionals to take careful steps to protect private information. But what exactly does HIPAA require?
In this course, we'll demystify the compliance process, learn HIPAA language and terms, and electronic health care transmissions and use real-world examples to help explain the Privacy Rule, which governs patient rights, disclosure of protected health information (PHI), business associates, and many other relationships within the health care industry. We'll also examine administrative safeguards, physical safeguards, technical safeguards, and policy and procedure creation—all of which are crucial components of the Security Rule. By the time you finish this course, you'll be confident and capable of implementing HIPAA’s requirements in your own organization. If you're just starting your career in the health care field, you'll have a priceless addition to your resume.
Tuition: $89
Must register online:
www.ed2go.com/ohc
Continuing Education/Certifications for Allied Health Professionals
(ONLINE)

Certificate in Complementary and Alternative Medicine
In the United States, the aging population, an increasing public awareness of major risk factors contributing to chronic illness, and the public’s growing desire for alternative health care options are just a few of the factors behind the expanding interest in complementary and alternative medicine (CAM). Rapidly gaining in popularity, CAM is used by more than 40% of the U.S. population. The Certificate in Complementary and Alternative Medicine is designed to provide a multidisciplinary educational experience. Your CAM certificate will distinguish you as a knowledgeable, skilled, and committed professional in the field of complementary and alternative medicine.
Tuition: $210
Must register online: www.ed2go.com/ohc

Certificate in End of Life Care
The Certificate in End-of-Life Care represents a specialization in the field of caring for those who are experiencing a terminal illness. It is designed to enhance the knowledge and skills of individuals who work with dying patients by providing a multidisciplinary educational experience.
Tuition: $190
Must register online: www.ed2go.com/ohc

Certificate in Gerontology
With the population aging at a rapid rate, the number of individuals over 65 will more than double by the year 2020. The demand for knowledgeable providers to meet the needs of this population is dramatically increasing. The Certificate in Gerontology represents a specialization in the field of gerontology. It is designed to enhance the knowledge and skills of health care professionals who work with the older adults.
Tuition: $205
Must register online: www.ed2go.com/ohc

Certificate in Legal and Ethical Issues in Nursing
This certificate program is designed to enhance the knowledge and skills of nurses who work with all types of patients. By examining key issues ranging from basic legal concepts to bioethical dilemmas, you’ll learn relevant and practical information you can immediately use to improve your practice and provide the most effective care to your patients.
Tuition: $190
Must register online: www.ed2go.com/ohc

Certificate in Pain Assessment and Management
Pain assessment and management is a crucial part of compassionate and effective patient care. Scientific advancements in the understanding of the mechanisms of pain, multidisciplinary methods of assessment and management, and the improvement of medications to treat pain have contributed to the wealth of knowledge in this area. If you work with patients who are in pain, this certificate program will help you increase the accuracy of your pain assessment skills and become more effective in your pain management strategies.
Tuition: $170
Must register online: www.ed2go.com/ohc

Certificate in Spirituality, Health and Healing
Spirituality, religion, and culture play an important role in health and healing. Health care systems and health care professionals must recognize and understand a variety of spiritual and religious values, beliefs, and practices and their impact on health and healing.

To meet the needs of a spiritually and culturally diverse client population, today's health care system is evolving in its approach. Knowledgeable providers who can deliver compassionate, effective care and meet their clients' and patients' spiritual needs are in dramatically increasing demand. To gain a broad understanding of spirituality, health, and healing and to stay current with emerging
trends, health professionals who work with diverse religious and spiritual populations will need continuing professional education.

Tuition: $210
Must register online: www.ed2go.com/ohc

Health and Fitness

**Lose Weight and Keep it Off (ONLINE CLASS)**
Do you want to lose weight and keep it off? Now you can! In this comprehensive course, you'll discover how to establish a healthy approach to weight loss and weight maintenance. You'll master how to set and achieve weight-loss and weight-maintenance goals that make sense for you.

You'll get valuable hands-on experience and advice determining the proper amount to pay in tips, discounts, and taxes; managing your income and expenses; checking your bills and bank statements for errors and overcharges; shopping for the best loans; buying a home; determining the right amount of paint, carpet, or tile for your next home improvement project; converting from one type of currency to another; calculating the chances that something will happen; interpreting a graph; comparing test results; understanding a statistical survey; and more.

Length of course: 6 weeks

Tuition: $89

Must register online: www.ed2go.com/ohc
Grammar Refresher (ONLINE CLASS)
Revive your lost or forgotten knowledge of English grammar and gain confidence in your ability to produce grammatically correct writing. Whether you’re a student or professional, a published or beginning writer, this course will help you navigate and master the linguistic twists and turns inherent in English grammar. Grammar is fun if you know the rules. A patient instructor will support you throughout the course, and plenty of interactive exercises will give you ample opportunity to put into practice everything you learn.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Write Your Life Story (ONLINE CLASS)
It’s your story. It’s time to write it so you can tell history, share your secrets and successes, and better understand yourself. Learn what it takes to write essays, a legacy letter (sometimes called an ethical will), a memoir, an autobiography or the story of a loved one’s life in simple, easy steps that will get you ready for whatever you want to tell. It’s fun, it’s exciting and it’s your truth. The step-by-step process begins with capturing ideas and ends by providing all the tools to tell the stories in your life.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Get Assertive! (ONLINE CLASS)
Are you tired of being intimidated and treated badly by others? Get the assertiveness training you need in order to be more confident and powerful with family members, friends, bosses, co-workers, professionals, service people, and even total strangers. Discover how you lose your power when you talk and what you can do to get it back. Learn how to deal with anger and criticism effectively. It’s your turn to speak out!
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Goodbye to Shy (ONLINE CLASS)
Want to learn how to overcome shyness? Now you can—from someone who has been there! The ability to interact with others affects everything we do, from selecting a mate to advancing in our careers. If shyness keeps you from having the life you want, here’s your chance to learn the secrets to overcoming it. In this encouraging and practical course, you’ll find out how to reduce anxiety, build self-esteem, strike up conversations with others, win friends, and act confidently in romantic relationships.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Business Management

Building Teams that Work (ONLINE CLASS)
Teams are becoming a staple in today’s workplace. In this course, you’ll learn the components of a successful team and the stages of its development. You’ll master the skills you’ll need to effectively manage projects, make decisions, and solve problems in a team setting. Plus, you’ll have a chance to learn the pitfalls of unhealthy group interaction and minimize any of its effects on your team.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Mastery of Business Fundamentals (ONLINE)
Are you interested in acquiring practical business experience in strategic planning, management, and finance without enrolling in an MBA program? This course is for you! You’ll understand the significance of strategic planning and discover how external and internal environmental factors affect an organization.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Project Management (ONLINE)
Organizations initiate projects to create new computer applications, erect bridges and buildings, improve processes, develop new products, and reorganize company operations. Unfortunately, most organizations do not
manage projects well, creating an unprecedented demand for project management practitioners.
Length of course: 6 weeks
Tuition: $89
Must register online: www.ed2go.com/ohc

Fundamentals of Supervision (ONLINE)
If you have recently been promoted to a supervisory or management position or want to learn how to become a more effective manager, this course will help you master the basics of business by learning the language of management.
Length of course: 6 weeks

Adult Education

Adult Education courses are designed for those interested in preparing for the Cook County GED Test. Most classes meet twice a week, Mondays & Wednesdays and/or Tuesdays & Thursdays, and include Math, Science, Reading, Writing, Social Studies, with Friday intensive workshops for Reading, Math, and Writing.

These classes will be offered to all students depending on availability. Choose morning or evening classes. Afternoon and/or weekend classes are offered.

We also offer English as a Second Language (ESL) courses from literacy to College Transition level, Citizenship courses and Constitution exam review. Classes are available at the Olive Harvey campus or South Chicago Learning Center (satellite campus).

iPathways

Some students may qualify for taking GED classes via the Internet (online). If you are close to passing the GED or need only to work on certain subjects or skills, our online GED program (iPathways) may suit your needs. To qualify for iPathways, you must pass a placement test in reading and math, and have reliable access to a computer with a high-speed Internet connection. You will need basic computing skills such as keyboarding, using e-mail, and navigating the Internet. Adult Education classes are Tuition Free!

Spring GED and ESL courses begin January 14, 2012

Admission is based on mandatory placement testing to determine appropriate class level. We will monitor your progress and recommend when you are ready to take the Cook County GED exam.

Get the Skills. Get the Job.

Olive-Harvey College is creating new ways to meet the needs of people who have not attained a high school credential and/or are in need of skills to get a good job. There are thousands of available jobs in Illinois, and we can help you get the degree, and get the job.

There are several new programs being planned for Adult Education to bridge the gap between educational attainments and employment. These programs may also be available even if you have already received a high school diploma, but need skills to gain employment. These course offerings are FREE.

Contact the Office of Adult & Continuing Education to schedule an appointment to meet with a representative from our admissions team to receive more information.

Get on our waiting lists for these exciting new FREE course offerings. Space is limited.

New Free Programs – A First Look

College Skills Institute (CSI)

An innovative 16-week College Prep GED program for students at the 10.5 grade reading and 9.0+ math level that prepares them to pass the GED test while guiding them through the process of entering college, with an emphasis on critical thinking skills that promote employability.
**Jump Start Program**

This program begins with a two-week introductory course: “Jump Start,” which is intended to re-introduce students to school by exploring common barriers to educational completion. Students move directly into 14 weeks of intensive instruction to enhance skills needed to be successful on the GED exam: reading, writing, math, science and social studies.

**Transportation, Logistics and Distribution (TDL) and Healthcare Vocational and Bridge Programs**

There are tuition-free opportunities available for students to receive vocational training that can lead to employment in the fast-growing transportation industry. A vocational program is intended to give you the skill necessary to obtain employment in specific vocation. These programs are short-term (completion within one or two semesters). New vocational programs will include:

- **Introduction to Warehousing Program**

  In this short-term program students will learn how operate a forklift and receive certification from the National Safety Council®. The program will also include an introduction to supply chain management, in which students learn the entry-level skills for employment in warehousing.

- **Healthcare Bridge/BNA Program**

  This tuition-free program provides the training necessary to earn the Illinois State Certificate as a Certified Nursing Assistant. Training includes classroom, laboratory instruction and clinical experience. Home health care is stressed in order to qualify the student for both home and institutional employment.

These Bridge Programs (Healthcare and TDL) options are also available for students who have a high school diploma, but need skills for employment.

Notes
Registration in three easy steps!

Step 1: Registration /Admission
Visit room 3114 and receive a testing appointment
Office hours: M-Th 9A-7P, F 9-5P

Step 2: Placement Test
Testing is in room 2414, on TUESDAYS – 9:00 a.m. and 2:00 p.m. or WEDNESDAYS – 1:00 p.m. and 5:00 p.m.

Step 3: Orientation/Scheduling
Orientations are Fridays 9:30 and 12:30
Visit room 3114

Registration Checklist
(Things you must have to enroll)
• Photo Identification (State of Illinois ID or Illinois Driver’s License)
• A current piece of mail to verify your address
• High school release form (if you are under 18 years of age)

TUITION AND FEES
Tuition and fees vary, depending on the program. There is a $30 registration fee for the following programs: CDL, Forklift, Basic Nurse Assistant, Computerized Medical Billing and Coding, and Pharmacy Technician.

PAYMENTS
All Tuition/Fees are due and payable in full at the time of registration. Registration is not complete until all tuition and fees are paid in full; partial payments are not accepted. Cash, credit cards, money order or personal checks made payable to Olive-Harvey College will be accepted.

NO REFUND POLICY
There are no refunds offered after the 1st day of class.

CANCELLED CLASSES
A full refund for all tuition and fees will be sent to the student if the administration withdraws or cancels a class. Charge accounts will be credited. Allow four to six weeks for processing. Registration fees (if applicable) are non-refundable.

SCHEDULE CHANGES
A student who must withdraw from one or more courses must do so in person or in writing to the Office of Continuing Education. Notification to the instructor is not sufficient. Withdrawal does not necessarily entitle the students to refunds.

PLAN YOUR SCHEDULE CAREFULLY.
All revisions/ withdrawals must be made in the Office of Adult & Continuing Education, room 3114 and approved by the Dean.

NO SHOW POLICY (for Continuing Ed)
Students must attend classes as soon as they begin. Students not attending the first two class sessions will be administratively withdrawn from the class, such students will not be reinstated. The administrative withdrawal does not relieve the student of their responsibility of following the formal withdrawal procedure. Withdrawal forms are available in the Continuing Education office, Room 3114.

NO SHOW POLICY (for Adult Ed)
Students must attend classes on the first day of class. Students not attending the first three class sessions will be administratively withdrawn from the class; such students will not be reinstated. Withdrawal forms are available in the Adult Education office, Room 3114.

TUITION ASSISTANCE
The Federal Workforce Investment Act (WIA) offers a comprehensive range of tuition assistance for job seekers, laid off workers, youth, incumbent workers, new entrants to the workforce, veterans, persons with disabilities, and employers. WIA approved programs are:
• CDL Truck Driving
• Basic Nurses Assistant
• Medical Billing/Coding
• Pharmacy Technician

Registration is Simple...
To register for Adult & Continuing Education classes, visit the Office of Adult & Continuing Education in Room 3114 at Olive-Harvey College.

Payment for registration is accepted at the Business Office window. For your convenience, cash, check, Visa or MasterCard are accepted. For further information about Adult & Continuing Education classes please call 773-291-6292.
