SUMMER 2014

DUAL ENROLLMENT

SPECIAL SCHEDULE

FOR CHICAGO AREA HIGH SCHOOL STUDENTS

CITY COLLEGES of CHICAGO
Education that Works
The Dual Enrollment program allows motivated high school junior and senior students the opportunity to earn college credit, while attending high school. The credits you earn are transferable to many four-year colleges and universities.

Through a partnership with Chicago Public Schools (CPS) and City Colleges of Chicago, high school students are eligible to enroll in a number of college level courses including Art, Biology, Business, Chemistry, Computer Science, Humanities, Mathematics, Psychology and Speech.

**BENEFITS**

- Earn credit for both high school and college. The college credit will be applied to a degree program at one of the City Colleges of Chicago or can be transferred to a four-year college.
- Get access to great college professors.
- Develop important time management and study skills.

**REQUIREMENTS**

- Participants should be a junior or senior in high school.
- There is a school recommendation required if you don’t meet both of the following requirements—a minimum GPA of 2.5 and a 90% high school attendance rate.
- Take the ACT and/or COMPASS Placement Exam. Check the CCC course catalogue for qualifying scores.
- Submit a signed parental permission form.

**GETTING STARTED**

Everything you need to register for the Dual Enrollment program is included in this course schedule—an academic calendar for the summer and fall semesters at City Colleges of Chicago, recommended City Colleges classes, and a dual enrollment checklist. Your first step is to meet with your high school adviser and tell them you want to enroll. Next, contact the dual enrollment representative at your nearest City College.

**Notes:**

1. **College Credit Academic Calendar is subject to change.** Please contact the college for more details.
2. **Sessions and course offerings:** not all courses are offered each session, nor are all sessions offered at each college. Please contact the college for details.
3. **New Students:** all new students are strongly encouraged to complete the registration process as early as possible, preferably prior to end of Summer for fall entering students. The registration process for new students includes placement testing, college orientation, financial aid processing, career advising and academic program selection, and initial course selection. Please see your College Advisor to begin.
4. **Continuing Students:** continuing students are strongly encouraged to complete the registration process as early as possible to ensure the best course and schedule availability. Please see your College Advisor prior to registering to discuss your career and education goals, academic program, graduation requirements and your progress toward graduation, course selection, and, if applicable, transfer.
5. **Financial aid:** students are strongly urged to apply for financial aid ([www.fafsa.gov](http://www.fafsa.gov)) as early as possible (preferably by March 1st) for the academic year beginning in the fall. Please contact the financial aid office for details.
What is the COMPASS Placement Test?

COMPASS is a computerized test that is designed to evaluate a student’s knowledge and skills in reading, writing, and math. This test can be taken in sections and at separate times. The COMPASS e-write is the only section of the test that must be completed in an allotted amount of time.

Results of the COMPASS Placement Test help to determine how prepared a student is for college-level coursework. Depending on test results, students will be placed in college credit, developmental, and/or non-credit (pre-credit) classes.

Students are eligible to retest once within a 12 month period, for a nominal fee, after the original COMPASS test score(s) expire. Students can retest provided they have not already begun a sequence of courses for placement test subject areas. COMPASS test scores expire annually.

Prior to taking the COMPASS Placement Test:

- Apply for admission at www.ccc.edu
- Obtain a student ID number (provided within 48 hours after the online application is approved)
- Contact the Dual Enrollment representative at a City College to schedule an appointment

What to bring to the COMPASS Test:

- Valid Chicago high school ID, driver’s license or State ID card
- CCC Student ID number (provided within 48 hours after the online application is approved)
- Approved Calculator (visit act.org/compass/student/calculator.html for more info)

HIGH SCHOOL

______________________________________________________________

CONTACT PHONE ____________________ EMAIL _________________________

ON-LINE APPLICATION

☐ Complete a CCC admissions application http://my.ccc.edu
   *NOTE: Submission does not require a social security number and is not required for continuing students*

PARENTAL PERMISSION FORM

☐ Download and complete application form signed by parent/guardian and counselor
   http://www.ccc.edu/earlycollege

IDENTIFICATION

☐ Valid Chicago high school ID required

COLLEGE READINESS

☐ Submit copy of high school transcript

☐ Submit ACT scores (if completed)

☐ Schedule COMPASS Placement Exam

COURSE SELECTION(S)

*Students are eligible to enroll in one course per semester at one City College location.*

(1) ____________________________________________________________________

(2) ____________________________________________________________________

(3) ____________________________________________________________________

NEXT STEPS

1. Submit all documents to the CCC Dual Enrollment representative

2. College Visit 1 – COMPASS Placement Exam (dates determined by CCC)

3. College Visit 2 – Complete course registration/orientation (dates determined by CCC)
What is Dual Enrollment?
Academically qualified high school students enroll in college-level courses on a college campus. Upon successful course completion the student earns college credit.

Qualified students are permitted to enroll in Dual Enrollment courses offered in the fall, spring and summer terms. Most students enroll in afternoon, evening and weekend courses that accommodate their high school and extracurricular schedule. Dual Enrollment students are permitted to enroll in one course per semester and only at one CCC campus. Students enrolling in additional courses will be responsible for tuition and fees.

How do I qualify for Dual Enrollment?
To qualify for Dual Enrollment at CCC:
• You must be a junior or senior in a Chicago high school with a minimum 2.5 weighted GPA and a 90% attendance rate. If you don't meet both qualifications, a counselor recommendation from your high school is required.
• Provide qualifying ACT scores (if available) and/or take the COMPASS Placement Exam.
• Submit a permission form signed by your parent/guardian.

For more information, visit ccc.edu/earlycollege or earlycollege@ccc.edu

Can I transfer my Dual Enrollment credit(s) to another college?
Dual Enrollment students are encouraged to enroll in general education courses like English, History, Humanities, Math, Social Science and Psychology that are transferable to many four-year colleges and universities.

If I'm 18, do I still need to get a parent/guardian signature to participate in Dual Enrollment?
A parent/guardian signature is required for all participants enrolled in high school to participate in Dual Enrollment courses provided by City Colleges of Chicago. However, a parent/guardian signature is not required of emancipated minors with valid documentation.

When can I begin taking Dual Enrollment classes?
Dual Enrollment courses are available to high school juniors and seniors. Students are eligible to apply after the completion of their sophomore year.

Will I be treated like a college student if I enroll in Dual Enrollment classes?
Yes, high school students will be expected to meet the same outcomes as all City Colleges of Chicago students. Dual Enrollment students will receive a CCC student ID and have access to all student resources and services on all CCC campuses.

What happens if I don't complete my Dual Enrollment class? Will it affect my CPS graduation?
Many Dual Enrollment courses will satisfy CPS graduation requirements. If a student fails to earn a C or better in a Dual Enrollment course, where high school credit is being earned, it could affect their graduation status. Students should speak with their high school counselor prior to enrolling in a Dual Enrollment course.

Can I leave my high school early to attend Dual Enrollment class?
Because several Dual Enrollment courses will offer students the opportunity to obtain both high school and college credit, students may be allowed to leave their school early to attend Dual Enrollment courses. Some CCC courses may also satisfy CPS graduation requirements. Please speak with your high school counselor to determine your scheduling options.
