This Agreement, made and entered into by the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, a body politic and corporate existing as a public entity by virtue of the laws of the State of Illinois, (hereafter referred to as the "Board") and LOCAL 73, SERVICE EMPLOYEES INTERNATIONAL UNION, AFL-CIO (hereafter referred to as the "UNION") covers wages, hours and working conditions for Janitorial employees, group leaders and working supervisors (hereafter referred to as "EMPLOYEES") who are now or may hereafter be employed by the Board, agree to the following terms of this Agreement.

ARTICLE I - RECOGNITION

The Employer recognizes the Union as the sole and exclusive representative of the Janitorial employees, group leaders and working supervisors employed by the Employer. The Employer and employees shall not bargain independently of the Union with respect to wages, hours of employment or working conditions, as provided in this Agreement; the right to bargain on behalf of all such employees is vested solely in the union. Any bargaining unit work performed by employees of the Employer shall be performed solely by members of the bargaining unit set forth in this Agreement, except instances of special carpet, wall or ceiling maintenance.

The Employer shall endeavor to utilize bargaining unit member for performance of carpet cleaning. When outside contractors must be used, the Employer shall make available to the contractor a list of qualified individuals and encourage the contractor to use these individuals on the project.

ARTICLE II - MANAGEMENT RIGHTS

Except as expressly modified herein, all Employer's rights are expressly reserved and nothing shall be construed as stipulating the number of employees to be employed in any building, provided however, that the Employer shall not reduce the number of employees without prior written ten (10) day notice to the Union.

ARTICLE III - SUBCONTRACTING

Section 1 - Subcontracting. The Employer recognizes generally the interests of the Union in any changes which materially affect the working conditions of those represented by the Union and will keep the Union informed as to such changes. The Employer acknowledges and recognizes the ongoing interests of the Union in any decision by the Employer to contract out any work being performed by full-time employees covered by this Agreement on the date of the signing of this agreement. Whenever the employer is considering the subcontracting of work or service performed by any or all of the bargaining unit employees the Union shall be notified as soon as reasonably possible but in no event less than sixty (60) days prior to the solicitation of bids, if any, for such subcontracting. If the employer agrees to bargain with the union over the subcontracting decisions, bargaining may include the following discussions and the Employer will weigh these discussions fully in reaching a final decision on contracting:
a. The Employer's reasons for considering contracting out the work.

b. Whether the Union can assist in reducing costs and expenses incurred by the Employer in using incumbent members of the bargaining unit if the decision is to be based on financial considerations.

c. Whether the Union can assist the Employer in improving the quality of performance of incumbent employees performing the work subject to contracting if the decision is to be based on issues of quality. Relatedly, the Employer agrees to provide the Union with evidence of complaints regarding employee performance and discipline.

d. The Union's interest in seeing that any contractor selected by the Employer offers wages and terms and conditions of employment similar to those contained in this Agreement.

Section 2 - No diminishment of Rights under Section 4.5 of the IELRA. Nothing provided for in section 1 of this Article shall be construed as modifying or diminishing any of the Employer's or the Union's rights under Section 4.5 of the Illinois Educational Labor Relations Act. The Employer and the Union expressly reserve all such rights.

ARTICLE IV - UNION RIGHTS AND DUES/FAIRSHARE AND COPE DEDUCTIONS

Section 1 - Union Activities. The Employer agrees not to discriminate against members of the Union or engage in unfair labor practices. The Employer shall permit the posting of Union bulletins in janitorial quarters and shall permit Union stewards, with the supervisor's permission, reasonable freedom to perform their duties during working hours. The steward shall apprise the supervisor of the nature of the Union business, where he will be and how long it will take, with a limit of twenty (20) minutes. The steward shall be advised of all new bargaining unit employees at the building and shall be afforded the opportunity to provide an orientation to the new hire within seven days of the new hire's starting date. Said orientation shall not exceed twenty (20) minutes. Other duly accredited representatives of the Union shall have reasonable access to time cards or sign-in sheets for the current days applicable to employee covered by this Agreement.

Section 2 - Union Access to the Building. Duly accredited representatives of the Union may enter the building of the Employer during the working hours to observe working conditions and to confer with the employee under circumstances that are not disruptive to working schedules. Conferences between an individual employee and Union official other than the steward shall not exceed thirty (30) minutes without the written permission of the Business Manager and/or the Chief Engineer. When a Union Business Representative enters a building after normal business hours, he/she will register and identify themselves to building security, abide by security rules and contact the night superintendent. In all instances the representative must have prior written approval from the Director of Buildings and Ground to enter the building after normal business hours. The Director of Buildings and Grounds will notify the appropriate College personnel.

Section 3- Dues Deduction and Fair Share

a. Dues Deduction. Upon receipt of a written and signed authorization card of an employee, the Employer shall deduct the amount of Union dues, and initiation fee, if any, or other authorized deduction set forth in such card and any authorized increase therein, and shall remit such deduction bi-monthly (twice each month) to the Union at the address designated by the Union in accordance with the laws of the State of Illinois. The Union shall advise the Employer of any increases in dues, in writing, at least thirty
(30) days prior to the effective date.

b. *Fair Share.*

i. Pursuant to 115 ILCS 5/11, the parties agree that bargaining unit members who choose not to become union members within thirty (30) calendar days of employment or within thirty (30) days of the signing hereof, shall be required to pay a Fair Share Fee not to exceed the amount of dues uniformly required of its members. Such Fair Share fee shall be deduction from the employee's paycheck and shall be forwarded to the Union.

ii. The Employer and the Union are both cognizant of the provisions of the Illinois Educational Labor Relations Act and Rules promulgated by the I.E.L.R.B. which deal with Fair Share Fees. The act and these Rules as they may be amended from time to time are incorporated in this Agreement by reference and the Employer and the Union agree to comply with and abide by all provisions of the Act and said Fair Share Rules.

iii. In the event that any employee covered hereby is precluded from making a Fair Share involuntary contribution as required by (i) of this subsection b on account of bona fide religious tenets or teachings of a church or religious body of which that employee is a member, that employee shall have the right to refuse to allow said involuntary deductions provided, however, that said right to refuse shall continue only so long as the employee makes contributions at least equal in amount to the Fair Share Fee amount to a non-religious charitable organization mutually agreed upon by the employee so refusing and the Union.

For this purpose the Union shall certify to the Employer the names of all employees covered hereby who are relieved of the obligation to pay a Fair Share Fee by virtue of this Section; and it shall be the sole obligation of the Union to verify that contributions contemplated hereby have actually been made and that the said employees are not subject to a Fair Share Fee involuntary deduction. The employee shall, on a monthly basis, furnish satisfactory evidence to the Union that such payment has been made.

iv. The Union shall indemnify, defend and hold the Employer harmless against any claim, demand, suit costs expense or any other form of liability, including attorneys fees and costs arising from or incurred as a result of any act taken or not taken by the Employer, its members, officers, agents, employees or representatives in complying with or carrying out the provisions of this Article; in reliance on any notice, letter or authorization forwarded to the Employer by the Union pursuant to this Article and including any charge that the Employer failed to discharge any duty owed to its employees arising out of the Fair Share deduction; provided however, the Union shall not be obligated to indemnify the Employer the extent that any damages occur as result of the Employer’s negligence. The Employer shall immediately inform the Union of any appeals or legal action regarding this Section.

v. Nothing contained herein shall require the Employer to take any action to collect any Fair Share Fee from any employee in any given pay period except to the extent that such employee earns wages from the Employer in that period.

vi. In the event that all or any part of the I.E.L.R.B. rules referred to in (i) of this subsection b of this Section lapse or become inoperative for any reason, then the parties agree that said
Rule or Rules will become inoperative in this Contract and the parties shall then commence to negotiate substitute appropriate Fair Share provision(s) to this Section. Unless otherwise prohibited by law, the Employer shall continue Fair Share payroll deductions during the negotiation process.

c. Procedure. The Employee shall take such steps as may be required to accomplish any wage withholding authorized or required by Subsections (a) and (b) hereof and shall do such things as are necessary to cause said withholding to be remitted to the Collective Bargaining agent within thirty (30) calendar days after the date of withholding, provided that nothing contained in the Article shall require the Employer to make any withholding unless and until the Union has notified the Employer of the address to which the amount so withheld should be sent and has certified the amount of dues/assessments to be withheld, both within sufficient time to permit the Employer to carry out its obligations to so withhold. The amount withheld shall not change until the Union notifies the Employer that different dues/assessments amounts should be collected.

d. Non-Payment of Deductions. Nothing contained herein shall require the Employer to take any action to collect any dues/assessments form any Employee in any given pay period except to the extent such employee earns wages from the Employer in that period.

Section 4 – SEIU COPE Deductions The Employer agrees to deduct and transmit to SEIU COPE such sums from the wages of employees who voluntarily authorize such deductions on the forms provided for that purpose to the Union. These transmittals shall be accompanied by a list of the names of those employees from whom such deductions have been made and the amount deducted for each employee.

ARTICLE V- EMPLOYEE RIGHTS

Section 1 – Probationary Period.

A newly hired full-time employee shall be considered as a probationary employee for the first ninety (90) calendar days of employment during which time the employee shall not have the benefit of Article V, Section 4.

Section 2 – Temporary Janitors.

A College may employ temporary janitors on a full or part-time basis to maintain desired staffing levels. A temporary janitor may be employed for a period of no more than one hundred and twenty (120) consecutive calendar days inclusive of holidays or two hundred and ten (210) calendar days during any twelve (12) month period. A temporary janitor shall become a member of the bargaining unit as a regular janitor and shall receive all of the benefits of this Agreement when the temporary janitor has been employed for more than one hundred and twenty (120) consecutive calendar days inclusive of holidays or for more than two hundred and ten (210) days in any twelve (12) month period. A temporary janitor who becomes a regular janitor after one hundred and twenty (120) consecutive days or after two hundred and ten (210) days in a twelve (12) month period shall not be required to serve a probationary period as provided in Article V, Section 1.

A temporary janitor shall be considered for regular janitor vacancies at any College and be afforded preference over outside applicants for positions applied for. In such case the employee shall not be required to serve a probationary period unless the temporary custodian has not served the equivalent of the ninety (90) day probationary period in which case the time in service shall be credited toward the probationary period. Temporary employees shall not be laid off with the sole purpose of circumventing the requirements of this Article.
Temporary employees shall be considered members of the bargaining unit in accordance with Article I. Temporary employee shall be paid a rate of $8.00 per hour through June 30, 2005 and a rate of $9.00 per hour effective July 1, 2005. Temporary Janitors are not entitled to any benefits under the terms of this agreement.

Section 3 – Re-employment of Veterans.

The re-employment rights of employees who are now or may later be in military service and the duties of the Employer in relation to them shall be governed by the applicable provisions of Federal and State Laws.

Section 4 – Just Cause for Discipline and Discharge.

Employees may not be discharged, suspended, disciplined or otherwise penalized without just cause. Employees shall conform to the Employer’s rules and any policies. The Employer agrees to administer disciplinary action in a timely manner and in accordance with the procedures set forth in the Employer’s Board Rules.

In cases where the Employer believes that an employee's job performance has become unsatisfactory, such as when an employee is believed to be careless or excessively absent or tardy, the Employer will notify the Union in writing of such belief and the Union and the Employer shall cooperate in investigating the matter and taking corrective measures, if warranted. If the Employer contemplates or administers severe disciplinary action beyond a reprimand, then the Employer will notify the Union, in writing, of such belief and the Union will promptly acknowledge, in writing upon receipt of such notice. The Union need not acknowledge receipt of simple warnings or reprimands in which the Employer does not state that severe disciplinary action is contemplated. No discipline shall be considered for purposes of further disciplinary action after twelve (12) months from the date of the discipline unless there is a continuing pattern of misconduct/behavior by the employee.

Section 5 - Non-Discrimination.

Neither the Employer nor the Union will discriminate against employees with regard to employment, tenure or any other term or condition of employment on the basis of race, sex, color, age, disability, religious creed or national origin or ancestry, sexual orientation or other characteristic protected by any law. A true and correct copy of the Employer's Policy on Equal Opportunity in Employment, Programs, Services and Activities is attached hereto as Appendix A.

There shall be a premium of $1.00 per hour paid when snow removal work is performed on roofs, canopies or elevations above normal grade.

No reassignments or change in duties being performed can be made for the purpose of downgrading an employee.

The work described in this Section performed by employees of the Employer shall fall within the jurisdiction of the Union; provided however, that in the event of emergencies, inadequate manpower, or other circumstances beyond the Employer's control, the Employer may assign this work to persons outside the bargaining unit.

**Section 3 - Demolition and clean-up premium.** Demolition and cleanup in connection therewith shall be a rate equal to one and one-half (1-1/2) times the regularly hourly rate.

**Section 4 - Overtime.**

a. **Overtime Premium.** All work in excess of forty (40) hours in one (1) work week, or all work in excess of the regular weekly schedule of the employee shall constitute overtime and shall be paid at the rate of one and one half (1 1/2) times the employee's regular hourly rate. All paid time off shall constitute hours worked for purposes of this section.

b. **Compensatory Time-off.** If any employee is required to work beyond regularly scheduled hours in any day, the employee shall not be required to take compensatory time off unless otherwise agreed to by the Employer and the Union; and, the employee shall be paid for the extra time, except that overtime payment is not required unless the employee's total work hours in that work week are more than forty (40) hours.

**Section 5 - Paychecks/Pay periods.** Employees shall be paid at their job location every two (2) weeks.
Section 6 - Final Paychecks. Any employee shall receive a full, final paycheck at the time of separation, if possible, but, in any case, within five (5) days or at the next regular payday, whichever comes first.

ARTICLE VII - HOURS OF WORK, SCHEDULING AND WORK WEEK

Section 1 - Work day. The workday shall include eight (8) hours of paid work time, including rest periods. The workday (or night) shall not exceed one (1) hour in excess of actual working time.

Section 2 - Rest periods. Each employee shall be entitled to twenty (20) minutes of paid, non-working time per day which shall be taken in two (2) rest periods.

Section 3 - Work week. The workweek for employees shall be as follows: forty (40) hours to be worked in five (5) consecutive days Monday through Friday. A campus may schedule a workweek of Tuesday through Saturday for up to twenty five (25%) of the employees assigned at the campus and a workweek of Sunday through Thursday for up to two (2) of the employees assigned at the campus, provided however that employees currently assigned to an alternate schedule may maintain that schedule. The Union and the Employer may increase Sunday staffing levels upon mutual agreement. Assignments to new Tuesday through Saturday or Sunday through Thursday schedules shall be made in accordance with Article VII, Section 7. No current employee who is not working a Sunday shift shall be required to work a Sunday through Thursday shift.

Section 4 - Forty-Hour per week guarantee. The Employer guarantees forty (40) hours of work to regularly employed employees who are ready, willing and able to work such hours.

Section 5 - Overtime Scheduling. The Employer shall not unreasonably demand work in excess of the regularly scheduled hours of any employee and the refusal of an employee shall not constitute grounds for discharge of such employee.

Overtime work shall be distributed equitably among all employees including Janitorial supervisors. This distribution shall be based on the building seniority list and the type of work (regular janitorial or project work). The Employer shall post an overtime distribution list and shall maintain records of overtime distribution and shall provide the Union copies of said records upon the Union's request.

Available overtime shall be posted to allow employees the opportunity to signed up for overtime, except when the Employer has no advance knowledge of such overtime. The building seniority list will be used to determine who will be asked to perform overtime work beginning with the most senior employee and working down until the number of persons required have been chosen. When overtime work is again required, the selection process shall begin on the same building seniority list with the next employee after the last chosen. If an employee has declined overtime work, he will not be asked again until the cycle repeats itself on the seniority list and all other employees have been given the opportunity to work. When the bottom of the seniority list is reached, selection process will revert to the top and most senior person.

If no employees will accept overtime work, then replacement janitors may be used for this overtime work.

If more than four employees are required for overtime work, supervision is required. In this instance, seniority shall be waived for janitorial supervisors.
Section 6 - Six Day Work week. With the consent of the Union and agreed to in writing, the Employer may use a six (6) day week, Monday through Saturday equivalent to forty (40) or more hours as deemed necessary by the Employer.

Section 7 - Scheduling/Shift Changes. If the Employer desires to permanently change the shift of an employee, the employer shall provide the employee and the Union advance notice of fourteen (14) calendar days. The Employer shall first solicit volunteers in the appropriate classification from the shift. In the event that there are no volunteers, the Employer shall transfer the least senior employee in that classification. Should an opening re-occur for the transferred employee's original shift, the transferred employee shall have first opportunity to move back to his/her original shift.

If the Employer desires to permanently change, add or eliminate a shift, the Employer shall provide the Union thirty (30) calendar days' notice of its intention and afford the Union an opportunity to discuss the change, addition or elimination.

Should it become necessary to temporarily transfer an employee to a different shift, the Employer shall first attempt to use replacement custodians, then volunteers to fill such staffing needs. If unsuccessful, the Employer shall transfer the least senior employee in that classification. Temporary shift transfers shall last for no more than sixty (60) days unless mutually agreed by the parties to extend such transfer.

grievances at Steps 1 and 2 to their employer without the intervention of the Union may do so provided that the adjustment is not inconsistent with the terms of this Agreement, and provided that the Union has been given the opportunity to be present as such adjustment, and such employee has waived his rights in writing on a form provided by the Union.

**STEP ONE**

The aggrieved employee, accompanied by the steward, if the employee so desires, shall consult with the Chief Engineer at the College. If a group of employees are involved in the grievance, the steward and up to two (2) employees shall represent the employees. Grievances may be reduced to writing at Step One of this procedure. In any event, since it is in the best interest of all concerned that a grievance be promptly and expeditiously resolved, an aggrieved employee and/or steward of the employee(s) involved, shall present such a grievance as soon as reasonably possible following the event which gives rise to its occurrence, or after such employee and/or the steward of the employee(s) involved first acquired knowledge concerning such event, however, no later than thirty (30) days after said event.

**STEP TWO**

If the matter is not settled in the first step, the Union Representative or the aggrieved employee shall notify the College President in writing within ten (10) working days of the grievance and describe the nature of the grievance. The College President or designees will meet with the Union Representative, steward and grievant in an attempt to adjust or otherwise resolve the grievance.

**STEP THREE**

If the grievance is not satisfactorily resolved through Step Two, the Union or the aggrieved employee may appeal to the Chancellor of the City Colleges of Chicago within ten (10) working days after delivery of the Step Two decision.

This appeal shall be in writing and shall be duly signed.

The Chancellor or his/her designee shall promptly meet and confer with the Union and/or the aggrieved employee on the appeal. The Chancellor shall communicate this decision in writing within ten (10) working days to the aggrieved employee and to any Union Representative or steward who participated in the grievance.

**STEP FOUR**

If said grievance is not resolved in these prior steps, the Union may, within thirty (30) calendar days of the Chancellor's decision, submit the case to arbitration by initiating a request to the Federal Mediation and Conciliation Service requesting a panel of seven (7) arbitrators. Upon receipt of such a panel, Employer and Union shall alternately strike names from the list with the first strike to be determined by the flip of a coin. The Union and the Employer will immediately notify the selected arbitrator of this selection, and request a schedule of availability.

Such arbitrator shall hear the matter within fifteen (15) days of receipt of such designation and shall render a written award within thirty (30) days after the hearing, if there is no transcript of the hearing; or, within thirty (30) days after receipt of briefs, if briefs are to be furnished. Compensation of the said arbitrator shall be paid one-half by the Employer and one-half by the Union. The arbitrator shall limit his decision strictly to the application and interpretation of the provision of this Agreement and shall be
without power or authority to make any decision:

a. Contrary to, or inconsistent with, or modifying or varying in anyway, the terms of this Agreement; or

b. Limiting or interfering in any way the powers, duties, and responsibilities of the Employer under applicable law.

The Employer and the Union agree that neither party will appeal an arbitration award to the courts unless the arbitrator is believed by either party to have acted illegally. The Employer and Union also agree not to appeal any arbitration case to the courts until the arbitrator has heard the case and rendered an award, even if either the Employer or the Union believes the arbitrator has acted illegally.

The Employer and the Union agree that all arbitration awards shall fully and immediately be followed. If an arbitration award is questioned it will nevertheless be complied with, subject to future adjudication.

POLICY ON EQUAL OPPORTUNITY

IN EMPLOYMENT, PROGRAMS, SERVICES AND ACTIVITIES

(EQUAL EMPLOYMENT OPPORTUNITY POLICY, TITLE IX-GENDER DISCRIMINATION POLICY, SECTION 504/ADA COMPLIANCE POLICY)

Policy Statement
Except as allowed by law, the Board of Trustees prohibits discrimination by any person with respect to hire, terms and conditions of employment, continued employment, admissions or participation in Board programs, services and activities based upon race, national origin, ethnicity, gender, age, religion, citizenship, sexual orientation, marital status, disability or handicap, veteran status or the exercise of rights guaranteed by local, state or federal law. "Discrimination" shall include harassment or the creation of a hostile work environment based upon race, national origin, ethnicity, gender, age, religion, citizenship, sexual orientation, marital status, disability or handicap, veteran status or the exercise of rights guaranteed by local, state or federal law. Any employee, student or other person who believes that he or she has been the victim of prohibited discrimination shall file a complaint within 180 days of the occurrence of the discrimination in accordance with the procedures set forth below.

EEO Officer and Complaint Resolution Process
The EEO Officer or designee addresses all equal opportunity concerns of CCC employees, applicants for employment, students or applicants for admission or any other person including complaints of discrimination, harassment or hostile work environment, retaliation, intimidation and requests for accommodation due to religion or disability. With respect to employees, complaints of discrimination may concern hiring, wages, salary, benefits, promotions, transfers, work environment or any other term or condition of employment. With respect to students or other persons, complaints of discrimination may concern admissions, participation, application of academic policies, educational or learning environment, or any other term or condition of participation in Board programs, services and activities.
For purposes of this policy, "discrimination" includes harassment or the creation of a hostile working or learning environment because of a person's race, creed, color, national origin, ethnicity, citizenship, gender, sexual preference or orientation, marital status, disability or handicap, age, veteran status, or membership or lawful participation in the activities of any organization. Prohibited harassment under this policy includes, but is not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, where the conduct is made a condition of employment or participation in a Board program, service or activity, or where submission to or rejection of such conduct is the basis for an employment or educational decision, or where such conduct interferes with the individual's work or academic performance or creates an intimidating, hostile, or offensive working or learning environment.

EEO complaints must be made to the EEO Officer in writing within 180 days of the discriminatory act complained of. The EEO Officer may develop form complaints. The EEO Officer shall act as the Board's designated Title IX Officer and Section 504/ADA Compliance Coordinator. Complaints may be made by or against employees, students or other participants in Board programs, activities and services.

Employees must report incidents of discrimination, harassment or hostile work environment to the EEO Officer. Complaints and reports shall be held in confidence to the extent that such confidence is consistent with policy of eliminating and correcting incidents of discrimination or harassment and bringing the Board and its facilities into compliance with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act.

All employees, students and complainants must provide their full cooperation to the EEO Officer when that cooperation is requested. Retaliation against employees, students, program participants, witnesses or any other persons who make complaints or who cooperate in EEO investigations is strictly prohibited.

When a complaint of discrimination is made to the EEO Officer, the Officer will conduct an investigation of the complaint and bring the complaint resolution process to a conclusion within forty-five (45) calendar days of its receipt, if feasible. In investigating and resolving EEO complaints, the EEO Officer will do the following:

- Determine whether the complaint concerns an equal employment opportunity issue or whether it is more appropriately addressed in the grievance or problem-solving procedures provided in this Employee Manual and Student Policy Manual.

- Work with disabled employees, student or other persons and appropriate Board personnel to find reasonable accommodation for disabilities.

- Investigate all complaints of discrimination, including harassment and retaliation in a fair, impartial and expeditious manner, by at minimum, transmitting a copy of the complaint to the employee or student alleged to have engaged in prohibited conduct, allowing the responding employee or student an opportunity to respond to the complaint, either through interviews or in writing, and allowing the complainant and the responding employee or student a full and fair opportunity to present evidence to the EEO Officer in support of or in mitigation of their respective positions.

- Where feasible and desirable, conciliate conflicts that exist for reasons other than discrimination.

- Where the complaint is determined to be without substantive merit, issue a determination to the complaining employee advising the employee that no further EEO action will be taken and, where appropriate, refer the employee to other processes or services to address the employee's issues.
• Where discriminatory conduct or non-compliance with statutory or regulatory mandates is found to exist, consult with the Chancellor, College President or Vice Chancellor and where appropriate, the complaining party, on a corrective action recommendation, which may include discipline up to and including termination of employment, student disciplinary action, up to and including expulsion, transfer or other remedies deemed feasible and appropriate to correct the discrimination and insure that there is no recurrence of the discrimination.

• Where discriminatory conduct or non-compliance with statutory or regulatory mandates is found, issue a corrective action determination to the Chancellor, College President or Vice Chancellor as appropriate, via the Vice Chancellor for Human Resources.

• Conduct a follow-up investigation within thirty (30) calendar days of issuing a corrective action determination to ensure that the corrective action recommendation is followed.

• Where a corrective action determination has not been followed, issue a report to the Vice Chancellor of Human Resources and the Chancellor to seek assistance in enforcing the corrective action determination.

Reporting

The EEO Officer shall make an annual report of all EEO complaints and dispositions to the Chancellor no later than July 15th of each year.

APPENDIXES B

COLLECTION POLICY

MARCH 1999

NOTE TO CONTRIBUTING EMPLOYER: KEEP THIS POLICY WITH YOUR CURRENT COLLECTIVE BARGAINING AGREEMENT
EMPLOYER CONTRIBUTION COLLECTION POLICY

1. Delinquencies. Employer contributions shall be due in the Fund Office or this lock box on or before the due date specified in the Collective Bargaining Agreement. An Employer is delinquent with respect to a contribution if the correct amount of the Employer contribution and the appropriate remittance reports are not received by the fund Office (or if the Employer is directed by the Fund Manager, by the bank depository established for the Fund) by such date. If the Employer pays by the due date, but the amount is less than what is required, the delinquency is the difference between the amount due and the amount paid.

An Employer's delinquency may result in the loss of Welfare Fund eligibility for the respective employees.

2. Notice of Delinquency. As of the first business day of each month, the Fund Office shall identify each Employer who remains delinquent as of such day. The Fund Office shall notify each delinquent Employer (and if the building served by the Employer belongs to any Building Manager's Association) of its delinquency and of the accrual of interest charges and the assessment of liquidated damages. The Fund Manager may notify the applicable management association and Union of all delinquencies in summary form. A summary notice may also be sent to the Local Union Business Agent for employees of the delinquent Employer and the Board of Trustees. The failure to receive notice as provided in this paragraph shall not relieve the Employer of its liability for contributions and related interest and liquidated damages.

3. Interest and Liquidated Damages. Interest and liquidated damages will be imposed all delinquent contributions identified by the Fund Office in the manner described in paragraph 2 at the rates specified in the Trust Agreement, except as provided below. Interest and liquidated damages will be determined from the date the contribution was due in the Fund Office to the date payment is received by the Fund Office or its designed bank depository.

If the delinquency arises because the Employer failed to make a payment, interest and liquidated damages will be imposed on the total amount due. If the Employer makes a payment by the due date, but pays less than the required amount, interest and liquidated damages will be imposed on the unpaid balance of the required contribution.

Interest and liquidated damages will accrue from the due date in the Collective Bargaining Agreement until the delinquencies have been corrected. The accrual of interest and liquidated damages will be calculated on a daily basis. Provision in Collective Bargaining Agreements dated prior to January 1, 1997, that credit Employer contributions to the earliest period when the delinquent contributions are owed irrespective of the allocation shown the Employers' remittance report apply only to the issue of the plan coverage for the affected employees and do not affect the calculation of interest and liquidated damages as set forth in this collection policy.

Interest and the assessment of liquidated damages may be waived by the Trustee if a waiver is consistent with the Trustees' fiduciary duties under ERISA and does not result in a prohibited transaction under ERISA Section 406, provided that (a) the Employer has not been delinquent during the previous 12 months (but interest and liquidated damages may be reim-posed if the Employer again becomes delinquent during the subsequent 12 months); (b) the delinquency was isolated or inadvertent; (c) the delinquency was beyond the control of the Employer. Under these waiver provisions, the Trustees may waive either interest or liquidated damages or both liquidated damages and interest. Interest and liquidated damages will not be waived in the event of the bankruptcy of the Employer.

4. Referrals to Fund Counsel. If a payment of delinquency in excess of $3,000 and any interest and liquidated damages attributable to such delinquency are not received within 14 days after the mailing to the
Employer of the notice described in paragraph 2 above, the amounts due shall be referred to Fund Counsel for collection; provided, however, that any delinquency of less than $3,000 may be referred to Fund Counsel in those cases in which the Employer has been repeatedly delinquent, or in other cases, when deemed in the Fund's best interest by the Trustees or the Fund Manager. By such referral, Fund Counsel will be authorized to demand from the delinquent employer all amounts due and to file suit to collect such amount. Attorney's fees and costs incurred by the Fund with respect to any such referral shall be assessed against the delinquent Employer and added to the total delinquent amount due. Once a matter has been referred to Fund Counsel for collection, no Trustee or Fund representative shall negotiate payment terms with the Employer. If any Employer shall initiate or become the subject of a petition for bankruptcy, reorganization, or liquidation, then any amounts due from such Employer shall immediately be deemed delinquent and immediately payable and the account shall be immediately referred to Fund Counsel for collection.

5. Compliance Audit. A compliance audit program of contributing Employers will be conducted in the following manner.

a. All contributing Employers are to be audited at least once over a six-year period beginning with the fiscal year ending September 30, 1996.

b. Each Employer will be audited for not less than a one-quarter period to ascertain compliance with the terms of the Collective Bargaining Agreements. The audit period will be expanded if non-compliance is determined to be significant.

c. The Employers to be audited will be determined from a computer generated list of contributions made by each Employer for the fiscal year October 1st through September 30th. The Employers will be randomly selected, except that no audit shall be performed in those cases in which the Trustees determine that an audit would not be cost effective and Employers who have been audited as a result of random selection process shall not be randomly audited more frequently than once every two years.

d. The payroll audit procedures will be those procedures established by the Funds' independent certified public accountants.

e. Nothing in the aforementioned selection process will prevent payroll audits, for cause, at any time on any contribution Employer. The following criteria shall be considered cause for performing payroll audits:

1) The Employer's name appears as delinquent on multiple occasions; or

2) The Employer is suspected of not reporting accurately.

f. The Fund will pay the cost of payroll audits unless any such audit discloses an amount due from an Employer in excess of 2% of the required contributions for the period audited in which event the Employer shall be responsible for and shall be assessed with the cost of the audit.

When a payroll audit discloses that an Employer has not made all required Contributions, the auditor shall advise the Employer of the amount found to be due and the basis for the amounts owed, including interest and liquidated damages. Interest and liquidated damages will be calculated from the date the deficiency arose to the date of the audit report for purposes of notifying the Employer of the delinquency and will continue to accrue until all amounts are paid. If the amounts due are not paid within 14 days of the Employer's receipt of such notice, the Trustees shall refer the matter to Fund Counsel for collection. In the event of a referral to counsel, the Employer shall be responsible for attorneys' fees and any further costs incurred in collecting the delinquent amounts, interest and liquidated damages.
6. **Assignment.** If the Fund Manager determines that an Employer is delinquent for three (3) months (whether or not consecutive) the Trustees hereby direct the Fund Manager to seek payment of the full monthly contributions for each subsequent month directly from the building manager or managers that engage the Employer, provided the Employer has made an assignment of such future contributions to the Fund pursuant to the Collective Bargaining Agreement covering such Employer's employees. Direct payments will continue until the delinquencies for the three (3) months have been paid by the Employer, along with any applicable interest and liquidated damages.

7. In the event of any inconsistency between due dates in this Policy and an applicable Collective Bargaining Agreement, the Collective Bargaining Agreement will control

8. **Expired CBA.** In the event a delinquency which would otherwise be referable to Fund Counsel under this Collection Policy shall arise out of employment which takes place after the expiration of the applicable collective bargaining agreement, but before an impasse in bargaining for a renewal collective bargaining has occurred, the Fund Manager, in addition to referring the matter to Fund Counsel, may file with the National Labor Relations Board an unfair labor practice charge ("ULP charge") against the delinquent Employer, alleging a unilateral change in terms and conditions of employment. If this Fund is determined to have no standing to file such a ULP charge, the Fund Manager shall, in lieu of filing the ULP charge, notify the Local Union of the existence of the delinquency and request the Local Union to file the ULP charge.

Employees must give at least 30 days notification of their intentions if at all practical.

In order to do so, the CCC must:

✓ Notify the employee of their "key employee" status in response to the employee's notice of intent to take FMLA leave;
✓ Notify the employee as soon as it decides it will deny job restoration, and explain the reasons for the decision;
✓ Make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration.

Local 73 SEIU and City Colleges of Chicago

Side letter of December 2, 2009 regarding staffing

City Colleges and the Union agree to convene a committee to consider the feasibility and advisability of establishing a pool of temporary janitors to fill in at the colleges and other District facilities. The parties recognize that the District has the right, in accordance with Article II of the collective bargaining agreement, to determine staffing and to allocate resources in its facilities. Without construing this agreement to impact on that right in any way, the parties agree that it is in their best interest to explore the creation of a “temp pool.”
