GUARANTEED ADMISSION

Behavioral Sciences—Junior Status

Program Description:

East-West University was founded in 1980 with the mission of providing quality, affordable, multi-cultural, and forward-looking higher education to Chicago and the world. The institution has grown and prospered over the years, from a noble idea to a significant institution of higher learning accommodating nearly 1200 students. The University maintains a unique place among institutions of higher learning in Chicago and the region. East-West has repeatedly been cited as having the lowest tuition among private schools in the Chicago area, making a higher education with personal attention more accessible.

East-West University in collaboration with City Colleges of Chicago is offering CCC students the opportunity to have guaranteed admission to the College of Behavioral Sciences. Students will need to complete two more general education courses upon transfer to East-West University without disruption to their 2 yr. completion date for the Bachelors degree (F/T status students). Students will be eligible for transfer scholarships to East-West University and will be given advising support from an EW Advisor upon expressed interest.
