**Notes:**

1. **College Credit Academic Calendar is subject to change.** Please contact the college for more details.

2. **Sessions and course offerings:** not all courses are offered each session, nor are all sessions offered at each college. Please contact the college for details.

3. **Continuing Students:** continuing students are strongly encouraged to complete the registration process as early as possible to ensure the best course and schedule availability. Please see your College Advisor prior to registering to discuss your career and education goals, academic program, graduation requirements and your progress toward graduation, course selection, and, if applicable, transfer.

4. **New Students:** all new students are strongly encouraged to complete the registration process as early as possible, preferably prior to end of Summer for fall entering students. The registration process for new students includes placement testing, college orientation, financial aid processing, career advising and academic program selection, and initial course selection. Please see the Admissions Office to begin.

5. **Financial aid:** students are strongly urged to apply for financial aid (www.fafsa.gov) as early as possible (preferably by March 1st) for the academic year beginning in the fall. Please contact the financial aid office for details.

## FALL 2015 STUDENTS PLEASE NOTE:

General registration ends August 17 for Credit students <u>only</u>. Registration remains open until September 14 for 12-Week Session students, and until October 12 for 8-Week Session, Adult Education, and Short-Term students.

# KNOW WHAT YOU WANT
## What are your career and life goals?

**A degree or certificate from City Colleges of Chicago** is your ticket to a rewarding career, either right after graduation, or after a successful transfer to a four-year university. We have the resources to get you there, but you have to make some choices about your path.

### MAKE AN INFORMED CHOICE

What do you want to study? Choose one of our ten College to Careers focus areas to help you narrow down from the 100+ degree and certificate programs we offer. If you're having trouble making a decision, your college advisor can help talk it through with you, and provide you access to software and other tools for career and education exploration.
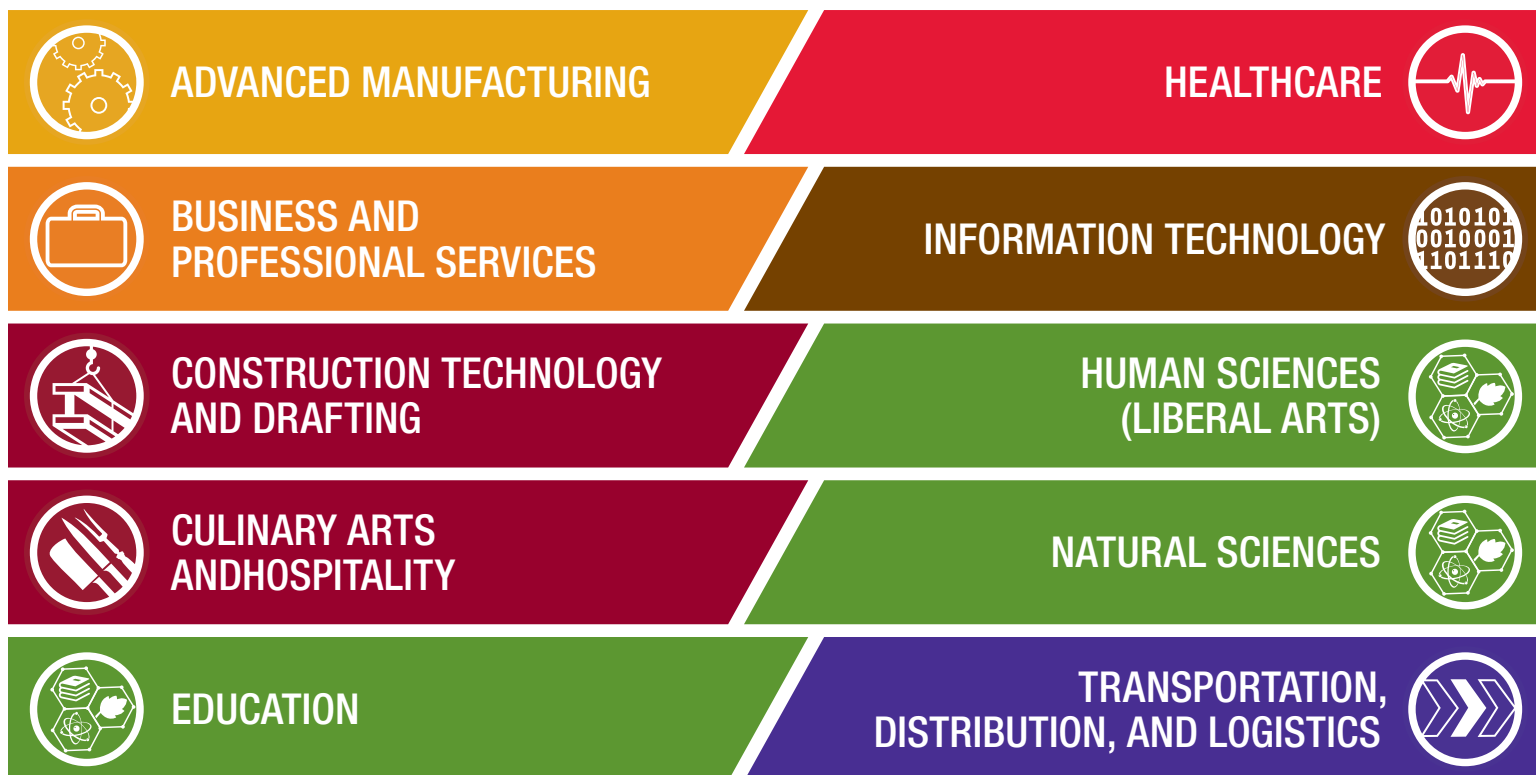

**Choose a Focus Area:** Choose from ten broad categories of CCC offerings (e.g., Healthcare, Education) — consult with an advisor

**Get on a Pathway:** Learn about common first-year courses in a focus area, career options, and degree and certificate plans available

### COMMIT TO COMPLETE

Once you know what focus area interests you, figure out what you want to study in particular. For example, if you like information technology, do you if you want to go into Web Development or into Networking? Different courses are required depending on which pathway you choose, so if you haven't already, meet with your college advisor to come up with an education plan that lists the exact courses you need in order to follow your own personal path to graduation, a bachelor's degree and a career.

**Complete an Education Plan:** Work with your advisor to create your personalized plan to reach your goal

# Grades First

### Set an appointment with your College Advisor!

Your College Advisor is your biggest ally in choosing your path at City Colleges. It is important that you meet with them frequently. Use the program **GradesFirst** to set an appointment.

1. Go to ccc.gradesfirst.com and log in with your CCC username and password.
2. Click on the Calendar tab, and then on "Get Advising" on the right side of the page.
3. Your advisor's calendar will pop up; choose an appointment date and time.

# Tuition & Fees

All tuition, fees and charges are payable at registration. Payment may be made by cash, money order, check, Visa, Master Card, American Express, or financial aid deferment for those students eligible for financial aid.
