Overview

ORDERING YOUR HIGH SCHOOL OR COLLEGE TRANSCRIPT IS EASY. AND FAST. AND SECURE.

Place your order by telling us which school has your transcript and where you want to send it.

We notify the school and they review your order. Once approved, they upload your transcript into our system.

We deliver your transcript.

HOW IT WORKS

1. Search for your school.
   - Your school has your transcript so the first thing you need to do is tell us the name of your school.
   - It’s important to note that we do not hold your transcript. Your school has your transcript, and we tell them that you want your transcript sent somewhere. Therefore, if there is a delay with your order, you may need to speak to someone at your school about it. For example, your order may be placed on hold due to an overdue book. In this case, you would need to contact your school to resolve the issue.

2. Send your transcript anywhere.
   - We can send your transcript to any destination worldwide - to a college, an employer, or yourself. And we can send it electronically or by mail. If your transcript is not available electronically, your school can prepare it themselves and get it to its destination.

3. Track your order.
   - You can track the entire ordering process at Parchment.com. Go to the Track your transcript help topic for details.
Register for a Parchment.com account

You must create an account before you can request your transcript.

Go to Parchment.com, click Sign up, and follow the onscreen instructions.

A COUPLE THINGS ABOUT REGISTERING

• If you get an error telling you that a valid password is required, make sure your password is at least 8 characters long and contains both letters and numbers.

• If you are a parent/guardian, you can select if you’d like to create a parent/guardian account. For more information on these accounts, go to the Parent/guardian accounts help topic.

REGISTRATION CODES (HIGH SCHOOL STUDENTS ONLY)

• If your high school sent you an email to register, click the Register Your Free Account button in the email and then follow the onscreen instructions.

• If you have a registration code on a handout that your high school gave you, go to parchment.com/register and enter the code into the white boxes.

TURN YOUR TRANSCRIPT DATA INTO ACCEPTANCE LETTERS

OPT-IN TO SHARE YOUR INFORMATION

During the registration process, you will be presented with a pop-up screen asking if you’d like to share your information with colleges and/or employers looking for people like you. Click Yes if you’d like to share your information, or click No if you’d rather not.

• If you opt-in, this means that we will make some of the information you provide to us available to a variety of colleges and programs. The colleges and programs can then send you information about themselves, so you can see if they fit your plans.

academic institutions and employers are looking for students like you

Here’s how it works: once you say we are allowed to do so, we will make some of the information you provide to Parchment available to a variety of colleges and programs. Then the academic institutions and employers can send you information about themselves. So you can see if they fit your career and education goals. Institutions cannot find you at Parchment unless you choose to opt-in.

- Yes, share the information I provide with those institutions looking to discover me at Parchment.
- No, I do not wish to share my information with institutions or learn about employment opportunities.
Order your transcript

1. Log in to Parchment.com. Or, if you haven’t registered yet, go to the Sign up page and follow the onscreen instructions to register.

   • If your school is already listed, click Send Transcript and go to the Select your destination help topic.
   
   • If you want to add another school, click Add another institution. Enter the school’s information and click Search.

4. When you see your school listed, click Add.
   
   • If your school does not appear or you see Transcripts Unavailable, please contact your school to request your transcript.

5. If you are able to order transcripts from your school using Parchment, you will be brought to the Enrollment Information page.
   
   • Select if you are currently enrolled or not enrolled.
   
   • Check the box if the name on your transcript is different to your name today. You will then enter your name when you were enrolled in the text boxes provided.
   
   • Enter your date of birth if it is not already filled in.
   
   • Select your gender.
   
   • Select the years that you attended this school (or, if you’re still enrolled, enter the years you expect to attend).

6. Under FERPA Privacy Rights, select whether you’d like to waive your FERPA rights to read your letters of recommendation.
7. Click **Save & Continue**.

8. Enter your address and phone number, and select **Save & Continue**.

9. On the **Provide Consent Signature** page:
   a. Use your mouse or stylus to sign your name in the box.
   
   b. Type your name into the box and check the box to confirm that you are authorized to order the transcript.
   - For minors, a parent must sign, type their name, and check the box that certifies they are authorized to sign. However, if you are a minor and ordering your college transcript, you will be able to sign.
   c. If you haven’t completed high school yet, you will see a box that you can check if you want a copy of your high school transcript stored in your Parchment account.

SELECT YOUR DESTINATION
You are ready to tell us where to send your transcript. You can send your transcript to any destination.

WHERE WOULD YOU LIKE YOUR TRANSCRIPT SENT?

- Some schools have a preferred delivery method saved into our system, so you may not be presented with a choice of delivery methods. For example, some schools may only want to receive electronic transcripts.

- Do not edit an address unless you are positive that the changes you are making are correct. You cannot change an address after you place an order. You will have to resubmit your order.

- Use Other Organization or Other Individual to send transcripts to employers, military addresses, or specific individuals/departments at a college.

- You cannot send other admissions documents with your transcript through Parchment. You should speak to your school if you need to submit other documents. They may be able to upload and send these other documents when they send your transcript.

Payment and refunds

The amount you pay for a transcript to be sent from your school to a destination depends on many factors, including where you are sending it, and if you are sending it electronically or by mail. When you place your order, you will be presented with a screen showing you the exact amount.

We accept Visa, Mastercard, Discover, and American Express.

REFUND POLICY

Here at Parchment, we strive to deliver your transcript to its destination as fast as possible. We rely on your school (the one that you are sending your transcript from) to help make this happen. Remember that your school must release your transcript before we can deliver it.

If you are not happy with your experience at Parchment in any way, please let us know so we can make things right.

Simply submit a ticket and give us the details. We’ll take it from there.
Parent/guardian accounts

Parents and guardians can order high school transcripts for children under 18. They can do this by creating a parent/guardian account at Parchment.com.

Parent/guardian accounts cannot be used to order college transcripts, and they cannot be used to order high school transcripts if the child is over 18.

- Students under 18 can have their own account, but will need verbal parental/guardian consent.
- More than one student can be added to the parent/guardian account. See ‘Add a child to a parent/guardian account’ section below.
- Existing student accounts may not be associated with a parent/guardian account. This means that once a student account has been set up, it cannot be tied to a parent/guardian account.
- Once a student associated with a parent/guardian account turns 18, they must then create their own student account.
- If two children attend the same school, the parent/guardian account would need to add that school twice - once for each student. A high school must be associated to each student.

ADD A CHILD TO A PARENT/GUARDIAN ACCOUNT
During the process of creating a parent/guardian account, you will add a child to your account. To add another child:

1. Log in to Parchment.com.
2. Hover over the down arrow in the upper right hand corner and then select + Add Student.
3. Fill in the applicable fields and click Submit.

ORDER A TRANSCRIPT FOR A CHILD
1. Log in to parchment.com.
2. Hover over the arrow in the upper right hand corner and select which child you want to request a transcript for.
3. Go to the Order your transcript section and follow the instructions.
Store a copy of your transcript in your account

If you are ordering your high school transcript, you will have the option to store a copy of your transcript in your account when you place your order (for free). This transcript will be available for you to view at any time. However, it cannot be used as an official transcript and cannot be sent anywhere.

☑ I also authorize a copy of my transcript to be stored in my Parchment account where I will be able to view and manage this document, and can use it for various optional services.

The transcript stored in your Parchment account will not update automatically, so you would need to request to have the latest version of your transcript delivered to your Parchment account.

To access your stored transcript:

1. Log in to Parchment.com.
2. Click Transcripts.
3. Click View next to your stored transcript.

To request to have an updated transcript stored in your account:

1. Log in to Parchment.com.
2. Click Transcripts.
3. Click Update now to request your stored transcript.

FAQs

WHERE IS MY TRANSCRIPT?
Have you tracked your transcript? If you haven’t, please do this now. Go to the Track your transcript help topic for instructions.

MY TRANSCRIPT HAS NOT BEEN RECEIVED.
Log in to Parchment.com and you will see a list of your orders. Click Order History. This shows you the status of your order. Go to the Transcript Status section for full details on what the transcript statuses mean.

If the transcript status says that the transcript should have been delivered, confirm that the destination was correct.

- If the destination is incorrect, go to the Incorrect Address FAQ.
- If the destination is correct and you ordered an electronic transcript:
  - Ask the receiver to check their spam folder if you manually entered their email address when you placed the order.
  - If you selected the destination when it appeared in the list, the receiver can search for your transcript using your Document ID number, which is a unique number that we give to each document order. You’ll find this number on the Order History screen.
  - If you still can’t locate your transcript, submit a ticket and give us the details so we can make sure your transcript gets to its destination.
- If the destination is correct and you ordered a printed transcript:
  - We cannot track printed transcripts once they leave our facility except for expedited FedEx shipments.
  - If your transcript did not reach its destination within a reasonable amount of time, we will send your transcript again one time free of charge. Institutions can take 4-6 weeks to process incoming transcripts and make the necessary entries in their computer systems. During this time, they may not be able to confirm that they received your transcript. We will resend your transcript four weeks after the first time it was mailed.
  - For security purposes, we can only resend your transcript to the destination provided during the initial request.
  - To request a transcript resend, submit a ticket and give us the details.

HOW DO I ADD ANOTHER SCHOOL?
To add another school to your account:

1. Log in to Parchment.com.
2. Click **Transcripts**.

3. Click **+ Add another institution**.

4. Enter the school’s information and click **Search**.

5. When you see your school listed, select it and then click **Save & Continue**.
   
   • If your school does not appear, or it does appear but when you select it, it says it’s not available for transcript requests, you will need to contact them directly to request your transcript.

**HOW DO I REMOVE A SCHOOL?**

1. Log in to **Parchment.com**.

2. Hover over the down arrow next to **Profile** on the top right and click **Account Settings**.

3. Click **School & Transcript Preferences** on the left side.

4. When you see your school listed, click **Remove School**.

**CAN I HAVE MY OWN ACCOUNT IF I’M UNDER 18?**

Yes. You can set up your own account, but will need verbal parental/guardian consent to register an account. You will also need a parent/guardian electronic signature to request transcripts.

**I ACCIDENTALLY ENTERED THE WRONG ADDRESS. WHAT SHOULD I DO?**

For security purposes, we can only (re)send your transcript to the destination you provided during the initial request. There is no way to change the destination address once a transcript has been requested. Any transcripts returned to our facility due to an incorrect address will be shredded.

Therefore, if a transcript was sent to the wrong address, you will have to place a new request to have it sent to the correct address. Once you have done that, you can submit a ticket and we should be able to give you a refund.

**HOW DO I MAKE CHANGES TO MY ACCOUNT (EMAIL ADDRESS, HOME ADDRESS, ETC)?**

1. Log in to **Parchment.com**.

2. Click **Account Settings** under the arrow on the top right of your screen. You can change your:
   
   • Log in information
   • Registration information
   • Parchment profile and privacy settings
   • School and transcript preferences
   • College discovery setting
   • Discussion board settings
THE INFORMATION ON MY TRANSCRIPT IS INCORRECT. WHAT SHOULD I DO?
We deliver transcripts exactly as they are provided from the sending institution. If you have a question regarding the content or accuracy of the transcript data, please contact your school directly.

WHAT IF MY TRANSCRIPT IS NOT AVAILABLE ELECTRONICALLY?
If your transcript is not available electronically, you can still place your order through Parchment if your school is affiliated with us. Your school will prepare your transcript themselves and get it to its destination. Go ahead and start the ordering process and when you search for your school, you will find out if you are able to order your transcript through Parchment.

HOW DO I SEND A PAPER TRANSCRIPT INSTEAD OF AN ELECTRONIC ONE IF I ONLY SEE AN OPTION FOR AN ELECTRONIC ONE?
Some colleges within the Parchment network prefer to receive their transcripts electronically. If you would like to send a paper transcript, you should choose Other Individual or Other Organization as the destination. You can then choose to have your transcript printed and mailed instead of being sent electronically. However, please be aware that this may not be the preferred choice of the school.

HOW DO I SEND MY TRANSCRIPT TO A PARTICULAR INDIVIDUAL AT THE COLLEGE I AM APPLYING TO?
When you place your order, choose Other Individual the destination. You can then choose to send your transcript directly to an individual at the college.
