Financial Aid Applications Available for Students

Free Application for Federal Student Aid (FAFSA): Completing the FAFSA is the first step in the financial aid process.

You can apply here: <https://studentaid.gov/h/apply-for-aid/fafsa>

FSA ID: For dependent students, students and their contributor(s) will need to create a separate FSA ID to complete the FAFSA. Dependent students will also have to invite their contributor(s) to complete their section of the FAFSA. To create an FSA ID, you can go to the following site:

<https://studentaid.gov/fsa-id/create-account/launch>

The screenshot shows the FAFSA website homepage. At the top left is the "Federal Student Aid" logo with the text "AN OFFICE OF THE U.S. DEPARTMENT OF EDUCATION" below it. To the right of the logo are navigation links: "FAFSA® Form", "Loans and Grants", "Loan Repayment", and "Loan Forgiveness", each with a dropdown arrow. A search icon is on the far right. The main content area features a large blue graphic with the word "FAFSA" in large letters and "form" below it. Three stylized figures are interacting with the letters: one is sitting on the 'A', one is walking past the 'F', and one is sitting on the 'S'. To the left of this graphic is a white box with the heading "A Better 2024-25 FAFSA Form" and a paragraph: "We may occasionally pause access to the FAFSA form to perform maintenance and improve the user experience. Learn more about the 2024-25 FAFSA form." Below this box is the text "2024-25 FAFSA® Form" and two buttons: "Start New Form" and "Access Existing Form". At the bottom of the page, there is a link: "Need to access last year's form? Start or Edit a 2023-24 FAFSA Form".

Alternative Application (RISE Act): The Alternative Application for Illinois Financial Aid allows eligible undocumented students to apply for the Illinois Monetary Award Program (MAP) grant.

You can apply here: <https://studentportal.isac.org/en/alternativeapp>

AUTHORIZING YOUR BOOK VOUCHER

1. Log in to your Student Portal and click on the Financial Aid section.

If you qualify, the City Colleges of Chicago (CCC) will provide you with an advance of your future financial aid refund in the form of a Book Voucher. Please note, the Book Voucher is not a separate grant. This Book Voucher can be used at any CCC affiliated bookstore to purchase books and required materials for your classes, or as a down payment to participate in the book rental program.

In order to receive a Book Voucher, you must provide an authorization to CCC to pay your book charges with your financial aid. If you decide to change your authorization, the change will only affect future disbursements and cannot be made retroactively.

I do authorize the City Colleges of Chicago to apply my financial aid or student payments toward bookstore purchases at CCC affiliated bookstores.

FREQUENTLY ASKED QUESTIONS

Q: I have not received my award letter. Has my FAFSA been received?

A: FAFSAs are typically received within 3 to 5 business days of the completion date. Please verify that you added your chosen campus' school code to your FAFSA. Please see the Federal school codes listed below. If the correct school code is in place and 3 to 5 business days have passed, please email the Financial Aid Office of your chosen campus.

College	School Code
Harry S. Truman College	001648
Richard J. Daley College	001649
Malcolm X College	001650
Harold Washington College	001652
Olive-Harvey College	001653
Kennedy-King College	001654
Wilbur Wright College	001655

Q: Have my documents been received?

A: Students can verify their document submission in the Student Portal (my.ccc.edu), by clicking on the "To-Do" link in the Alerts/Tasks/Holds section. Processing times can be 5 to 7 business days. If the status of your document submission is not updated after 7 business days, please email the Financial Aid Office of your chosen campus.

Olive-Harvey College	ohc-financialaid@ccc.edu
Kennedy-King College	kkc-financial-aid@ccc.edu
Wilbur Wright College	wrfinaid@ccc.edu

Q: What should I do if I have completed verification and still have not received my award letter?

A: Once your documents have been verified and no further documentation is needed, you can expect to receive your award letter within 3 to 5 business days. Please check your CCC email for notification or the my.ccc.edu portal, under the Financial Aid tab. If 5 business days have passed and you still do not see your award letter, please email the Financial Aid Office at your chosen campus.

Q: How do I access my book voucher?

A: If you are eligible, you must first authorize your book voucher through the my.ccc.edu portal, under the Financial Aid tab. You want to be sure to select "Yes", then visit the Online Bookstore to purchase your books. If you have any issues using your book voucher, please email the Financial Aid Office at your chosen campus.

The deadline to use book vouchers for spring semester of 2025 is 2/15/25, and the deadline for summer semester of 2025 is 6/14/25. If you enroll in 12-week and/or 8-week classes, you must request a manual book voucher, if eligible, **before the start of those classes.*

Q: If I am ineligible to apply for FAFSA, what other options do I have?

A: You may be eligible to complete the Alternative Application for Illinois Financial Aid. For further information and to see if you are eligible, please visit the following web site: <https://studentportal.isac.org/en/alternativeapp>.

*** Please note that MAP grants alone are usually not enough to cover tuition and fees. Therefore, Alternative Applicants must establish a payment plan or have another funding source on file to prevent courses from dropping.***

Q: Why does it show that I have a "Balance Due" in the my.ccc.edu portal even though I am using financial aid?

A: Financial aid does not disburse to your student account until **after** week 2 of the semester for Federal Grants and **after** week 4 for Federal/Private loans. You will see a "balance due" on your account until after the disbursement. Please review your pending financial aid award to determine whether your aid will cover your balance due. To access your pending award in the Student Portal, click on the Student Finance Account section, then click on the Pending Financial Aid section. If you enroll in both 16-week and 12-week/8-week classes, your Financial Aid will not disburse until **after** the second week of the **mini-term start date**.

Q: When can I expect my Refund?

A: If eligible, refunds will be processed 14 days after the disbursement date. If you have further questions regarding refunds, please email the Business Services Office at your home campus.

Q: What if my economic situation has changed since I filed the income tax return used for my FAFSA?

A: If you experienced a change of household income due to a one-time event (loss of employment, uninsured medical expenses, loss of child support, etc.), you can contact the Financial Aid Office at your chosen campus to request a review of your new financial situation.

Q: How many credits hours must I enroll in to receive financial aid?

A: The answer varies based on the type of funding.

- Pell Grant – minimum of 1 credit hour
- Loans, Federal Work-study, SEOG – minimum of 6 credit hours
- External/internal Scholarships – Based on donor requirements

Students must be enrolled in eligible programs and courses required for those programs to receive financial aid. **Always** consult with your academic advisor to confirm that courses are required for your degree or certificate program **before** you enroll.

Q: Will I have to repay my Pell grant if I withdraw from classes?

A: If a student enrolls for multiple courses and withdraws from one class in a given semester, the financial aid award may decrease, since awards are based on credit hours. However, if a student withdraws from all their courses, they may be responsible for repaying a portion or all of their award (this includes Federal grants and loans).
