

CITY COLLEGES *of* CHICAGO

**Richard J. Daley**

Education that Works

**Daley College  
Transfer Binder**

**KEEP  
MOVING  
FORWARD**

**Purpose:** The purpose of this binder is to provide Advisors with a resource of information as they assist their students in transferring to 4-year institutions. The College/University selected within the binder has an active partnership agreement with City Colleges of Chicago or have been top destinations for Daley students.

Each institution page is made up of the following:

- University/College Admissions Contact(s)
- A list of popular undergraduate majors with a link to the institution website for the complete
- A list of scholarships that will be applicable to transfer students with a link to a complete list of scholarships
- A link to the transfer guides for participating institutions (not all of our partners have transfer guides for CCC)

Also, Included in the binder are tabs for the following information:

- Scholarships that are state or nationwide
- Information on transfer pathways created between CCC and select institution's
- Questions to ask students in regards to transfer

When meeting with students you will want to provide them with a copy of the information from the institution(s) in which they are expressing interest.

**Advisors should strongly encourage students to maintain contact with the college representatives for transfer information as colleges & universities can change their degree requirements regularly and to use the links within the document to conduct their own research into each college/university.**

The content of this binder is for informational purposes only. Students should contact the College Representatives for the institutions in which they are interested to confirm credit transferability and the application process.

Columbia College Chicago accepts transfer credit from other [regionally accredited colleges or universities](#) and will consider transfer credit from select [institutions with discipline-specific accreditation](#), located in Illinois or out of state. Transfer courses must be completed with a C grade or better and be similar or equivalent in content to those offered by Columbia.

- A maximum of **88 credits** from a regionally accredited **four year college** or university.
- A maximum of **62 credits** from a regionally accredited **two year institution**.
- Transfer credit from any combination of regionally accredited two year institution, Advanced Placement, CLEP, military and/or Life Experience is limited to a maximum of 62 credits.
- If a student has attended both a four-year and a two-year regionally accredited institution, the maximum number of transfer credits accepted is 88 (with no more than 62 credits earned from the two-year institution.)
- No more than 4 semester credits of Physical Education will be accepted.
- The final 12 credits needed for graduation must be taken in residence at Columbia College Chicago.

**Quick Facts:**

**Location:** Chicago, IL  
**Population:** 10,783 undergraduates and 473 graduate students  
**Faculty to student ratio:** 1:20

## DePaul/CCC Partnership Agreement

### DAPP

The goal of this program is to increase the number of City Colleges of Chicago students who transfer to DePaul and complete a baccalaureate degree. Students have access to resources while still attending the City Colleges of Chicago.

1. Degree Requirements locked in once student signs up.
2. Eligibility requirements include: students who have earned fewer than 30 credit hours at the City Colleges of Chicago and have a 2.0 GPA.
3. Assigned a DPU advisor.
4. Degree course requirements will be locked in.
5. Invitations to DPU events.
6. Eligible for to apply for DAPP scholarships.
7. Must identify participation before 30 credits completed.

### Bridge

The Adult Bridge program is designed for adults age 24 and older who, because of demands on their time and financial resources, find it difficult to pursue a traditional path to a degree.

1. Professors teach at both DPU and CCC.
2. Students can take courses at DPU for CCC prices in bridge.
3. Assigned multiple advisors and mentors, using the DPU/SNL advising model.
4. Bridge students can reduce DPU graduation requirements significantly by taking courses while in the bridge program.

For more information, contact Maegan Reddick at [mreddick1@ccc.edu](mailto:mreddick1@ccc.edu) or by phone at 773-907-4492

### Prior-Learning Credit

Students with previous college experience may receive credit toward graduation upon the University's evaluation of their college-level credit. As appropriate, DeVry awards credit for prior learning based on:

- Previous college coursework
- Military coursework and training experience
- Professional certifications and training
- Examinations

DeVry admissions advisors, student success coaches and academic advisors are available to assist students with prior learning evaluation requests. Students may [request a transcript evaluation.](#)

- Additionally, to facilitate ease of transferring credits among institutions, the University maintains articulation agreements with many DeVry-recognized two- and four-year colleges and universities, as well as with entities such as the military. Applicable course equivalencies resulting from these agreements are reflected on students' transfer credit evaluations. Information on agreements maintained by DeVry is available by contacting [ArticulationInfo@devry.edu](mailto:ArticulationInfo@devry.edu). Restrictions on transfer and proficiency credit may apply.

Child Development-Special Education	

Full [list of programs](#).

To be eligible for transfer credit, official transcripts must be submitted to the Office of Admissions by the end of the student's first quarter of study.

Kendall College accepts transfer credits from colleges and universities accredited by agencies recognized by the American Council on Education (ACE), United States Secretary of Education, College Level Examination Program (CLEP), DSST and Advanced Placement (AP).

The college accepts courses with a grade or grade point average value of C or 2.0.

Transfer credit is evaluated in relationship to the desired degree program. Only credit which is applicable to the degree program requested will be accepted in transfer.

General Education requirements and electives will be assessed by the Office of Admissions. Major requirements will be assessed by the Office of Admissions in consultation with the Program Dean or Chair. The total amount of transfer credit will not exceed the necessary residency requirement of the desired degree program. Courses which are remedial or developmental will not be accepted in transfer.

Transfer courses are recorded as credit earned and are not computed into the student's GPA at Kendall College or the student's enrollment status for any given term.

Kendall College credits are recorded in quarter hours. Semester hours are multiplied by 1.5 to calculate equivalency to quarter hours.

Official evaluation of transfer credit earned at other institutions is completed by the Office of Admissions once official transcripts have been received. All transcripts received become the official property of Kendall College and will not be returned or issued to the student or to another institution. Evaluations will be kept in the student's academic file. All evaluations are considered provisional until official transcripts are received.

Name	Deadline	Award Amount	Description
Alumni Legacy Scholarship	Check online!	1,000	The Alumni Legacy Scholarship is a one-time award available to prospective students who are referred to Kendall College by a Kendall College graduate. This award is valued at \$1,000 and will be disbursed equally over the first three quarters of the student's enrollment at Kendall so long as the student maintains continuous enrollment and maintains good academic standing. This scholarship may be used for any of Kendall's four programs. Scholarship submittal deadline is the same date as the intended term start application deadline.
Community College Transfer	Check online!	Varies	Any first-time enrolled student who has earned at least 12 completed semester hours or 18 completed quarter hours from an accredited community college (does not include developmental courses) with a minimum cumulative GPA of 2.75 is eligible for 15% off the cost of tuition. Applicants must submit official community college transcripts. The scholarship is for the entire length of the student's degree program, so long as the student maintains continuous enrollment and remains in good academic standing.
Presidential Scholarship	Check online!	50% of tuition	One Presidential Scholarship valued at 50% of the cost of tuition will be awarded per term. Any first time enrolled student who meets the academic entry requirements may apply for an award. Applicants must submit three letters of recommendation from either a professional or academic source citing the student's abilities to succeed in his or her chosen field, a scholarship essay and official transcripts. Applicants who have been out of high school for fewer than five years must have a minimum cumulative GPA of 3.85 and 26 ACT (or SAT equivalent.) Applicants who have been out of high school more than five years must have a minimum cumulative GPA of 3.85 from their most recent academic level and must submit a resume. The scholarship is for the entire length of the student's degree program, so long as the student maintains continuous, full-time enrollment remains in good academic standing. Deadline for the application is two weeks prior to the start of the intended term.

### Full [list of programs.](#)

All bona fide college level courses, appropriate to the program to be pursued, may be applied toward National Louis University's undergraduate degree programs if the coursework meets the following criteria:

- The courses are normally applicable to a baccalaureate program
- The courses were taken at an institution with CHEA-recognized accreditation (note: NCE accepts only credit from regionally accredited institutions)
- The student received a "C" grade (GPA of 2.0/4.0) or better
- Note: The way in which credit is applied toward the degree is at the discretion of the University

Evaluation of transfer coursework toward specific degree program requirements is completed by the [Office of Admissions and Records](#) in consultation with the academic departments at the time of admission. Admitted students should work with their academic advisor in completing their degree plan. All credit considered of appropriate level, content and applicability to the degree program being pursued may be accepted for transfer according to established admissions standards.

The following restrictions apply:

- Only up to three quarter hours of physical education credit may be accepted
- Up to 60 quarter hours of technical credit may be accepted by the [Applied Behavioral Science](#), [Health Care Leadership](#), [Management](#) and [Management Information Systems](#) programs only
- Students planning to take a mathematics course at another institution must receive written approval from their academic advisor before enrolling to ensure the course will be accepted for transfer credit
- There may be additional limits to the acceptance of different kinds of credit according to the specific degree program

Robert Morris University is a participant in the Illinois Articulation Initiative (IAI). Lower division general education requirements are satisfied by the completion of an A.A. or A.S. from IAI participating institutions in Illinois. RMU upper division general education courses are fulfilled during the completion of the upper division graduation requirements.

Robert Morris University accepts applicable transfer credits from regionally accredited institutions. Courses that are less than 100 level, remedial, or developmental will not transfer. Courses accepted for transfer must be comparable to those taught at Robert Morris University and must be recognized by Robert Morris University as generally being applicable toward an Associate or Baccalaureate degree.

No more than 140 quarter hours (93 semester hours) will transfer to Robert Morris University toward Baccalaureate degree requirements.

**SXU/CCC Partnership Agreement**

Students who have completed the IAI general education core curriculum (IAI/GECC) are required to take three further mission-based courses at Saint Xavier University in order to complete their general education requirements. These courses are

- Philosophy 150: The Examined Life (3)
- one Religious Studies course (3)
- Interdisciplinary Seminar (3)

Students who have completed all but 6 credit hours of the IAI/GECC can complete this program at Saint Xavier University. They then must take the three mission-based courses noted above (Philosophy 150, a religious studies and an interdisciplinary seminar) at Saint Xavier University.

For a full discussion of general education transfer policies, see the [General Education web page](#).

All transfer students must take ACSU 101: Transfer Student Orientation. It meets once, for no cost, and carries 0 credit hours. This is a graduation requirement for transfer students.

**UIC/CCC Partnership Agreement**

**UIC-CCC Guaranteed Admission Program (GAT)**

1. Maintain a 3.0 cumulative GPA.
2. CCC will recruit students and supply applications to UIC for yearly cohort of 210 spots reserved for CCC GAT students.
3. Enroll full-time at the City Colleges of Chicago.
4. Complete an AA or AS degree from CCC prior to transferring to UIC.

**UIC-CCC RN-BSN Completion Program**

Online RN-BSN Completion partnership agrees that students who graduate from CCC with an Associate's Degree in Nursing (ADN) are guaranteed admission to UIC after completing prerequisite courses and passing the NCLEX. Students receive early advisement from UIC when they agree to participate during their first or second semester at CCC

1. CCC graduate with an Associate's Degree in Nursing (ADN) are guaranteed admission to UIC Nursing online option after completing pre requisite courses with a minimum GPA of 2.75, all natural science courses averaging a minimum GPA of 2.5 or higher and passing the NCLEX.
2. Students receive early advisement from UIC when they agree to participate during their first or second semester at CCC.
3. Advising offered by both institutions once students show interest.

**UIC-CCC Minority Males in Science and Math Program (MMSI)**

This is a joint NSF STEM Grant between CCC and UIC to recruit Male Minorities in Science and Math disciplines to UIC under the same admission requirements as GAT. Grant program offers additional opportunities.

1. Assist participating students to graduate with a GPA (at least a 3.2) and experience which would make them competitive candidates for graduate programs
2. Create a sustainable support structure that will allow CCC and UIC to institutionalize underrepresented minority male transfer student success in STEM disciplines
3. Assist participating students to graduate on time in the above disciplines
4. Assist participating students to graduate with a GPA (at least a 3.2) and experience which would make them competitive candidates for graduate programs
5. Create a sustainable support structure that will allow CCC and UIC to institutionalize underrepresented minority male transfer student success in STEM disciplines.
6. Paid summer research opportunities.
7. CCC and UIC have agreed to participate in sharing data so that students at UIC who complete the requirements for an associate degree after transferring to UIC can be awarded the Associate Degree by CCC. This is called a Reverse Transfer Agreement.

Name	Deadline	Award Amount	Description

## Two Ways To Transfer College Credits

- Course-By-Course Transfer Guides. University of Phoenix put together course-by-course **transfer guides** that spell out exactly which general and elective credits can be transferred in from another institution.
- Program Transfer Guides and Approved 2+2 Agreements. Through 2+2 agreements University of Phoenix established with partnering colleges, you can transfer previous credits you earned with your associate's degree at another institution and apply it toward your lower division coursework requirements at University of Phoenix. With a 2+2 agreement this means you will only have to take your core classes to earn your bachelor's degree.

Find a list of colleges that have **2+2 agreements** with us.

## Transfer Policy

University of Phoenix will grant elective or general education credit for college-level coursework taken at a regionally- or approved nationally-accredited college or university in which you earned a C- grade or better. Credit is not granted for remedial or developmental classes.

Even though University of Phoenix will accept some of your previous college credits, you may still need additional credits in order to fulfill all degree and content requirements for your degree program. All quarter or calendar credits you earned at a previous institution will be reviewed and converted to semester credits.
