INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
City Colleges of Chicago Community College District No. 508 WYCC-TV20
Chicago, Illinois

We have audited the basic financial statements of WYCC-TV20 of the City Colleges of Chicago–Community College District No. 508 (“City Colleges”) as of June 30, 2006 and June 30, 2005, and the related statements of revenues, expenses, and changes in net assets, and cash flows for the year then ended. These financial statements are the responsibility of WYCC-TV20’s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WYCC-TV20’s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As discussed in Note 2, the basic financial statements referred to above present only WYCC-TV20 and are not intended to present the financial position of City Colleges, the results of its operations and its cash flows in conformity with accounting principles generally accepted in the United States.

In our opinion, such financial statements present fairly, in all material respects, the financial position of WYCC-TV20 of the City Colleges of Chicago–Community College District No. 508 as of June 30, 2006 and June 30, 2005, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The statements of functional expenses on pages 13-14 are presented for purposes of additional analysis. This information is the responsibility of WYCC-TV20’s management. Such information has been subjected to auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Management’s Discussion and Analysis on pages 2–6 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. This supplementary information is the responsibility of WYCC-TV20’s management. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit such information and we do not express an opinion on it.

Net Assets

2006 – Current assets and current liabilities decreased due to the reduction of accounts payable. Depreciation for 2006 of \$473,729 had the effect of increasing accumulated depreciation, reducing non-current assets, and reducing net assets invested in capital assets.

2005 - Current assets and current liabilities decreased due to the utilization of State of Illinois and Corporation for Public Broadcasting grants. Depreciation for 2005 of \$360,762 less capital additions of \$139,265 had the effect of increasing accumulated depreciation, reducing non-current assets, and reducing net assets invested in capital assets.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)

Revenues for fiscal year ending June 30, 2006

Operating revenues increased by \$275,000 due to: 1) a 100% increase in the number of individual members from the prior year resulting in a \$128,500 increase in membership dollars, 2) a new contract with Quilt Central generated \$76,000 in production revenue, and 3) underwriting increased by 25% from the prior year due to an aggressive sales campaign. Also, the McArthur Foundation contributed \$30,000 to WYCC-TV20. Non-operating revenues increased by \$1.4 million due to increased operating costs which were covered by the City Colleges of Chicago, as well as a \$291,000 net increase in grants received.

Revenues for fiscal year ending June 30, 2005

Operating revenues increased \$80,000 due to expanded program support. Non-operating revenue decreased \$300,000 due to lower operating costs. Capital grants increased as the City Colleges of Chicago funded more capital equipment.

Operating Expenses for fiscal year ending June 30, 2006

The increase of almost \$1.8 million over the prior year was mainly due to an increase in technical, sales and administrative staff, as well as minor upgrades in technical equipment, needed to continue providing quality services. In Local Programming and Production, supplies increased by \$97,000 due to a system conversion to BroadView, which is used to manage the station's operations. Dues and membership expenses increased by \$291,000 because of increases in program licensing and fees. In Broadcasting, salaries increased due to the hiring of new personnel. Occupancy expenses included in Broadcasting increased as the station's square footage increased by almost 50%. Depreciation expense increased because of the District's new capitalization policy (see page 11 – notes), and a related write-off of certain equipment. In Membership, salaries increased by \$184,000 due to the hiring of new personnel, as well as a reorganization of WYCC-TV20 where staff was previously charged to other departments. Underwriting and Solicitation salary expenses increased by \$156,000 as four additional sales associates were hired during the year.

Operating Expenses for fiscal year ending June 30, 2005

Local programming and production expenses decreased due to lower professional services. All other expenses are generally consistent with those of 2004, except in 2004, WYCC-TV20 incurred professional service and supplies expenses of over \$50,000 on an upgrade of the station's brand name and logo.

**NOTES TO BASIC FINANCIAL STATEMENTS
AS OF AND FOR THE YEAR ENDED JUNE 30, 2006**

1. NATURE OF OPERATIONS

WYCC-TV20 is a public broadcasting television station wholly owned and operated by the City Colleges of Chicago–Community College District No. 508 (“City Colleges”) for the purpose of delivering televised credit courses and educational programming to the community.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation—The accompanying financial statements have been prepared in conformity with accounting practices prescribed by the Corporation for Public Broadcasting (“CPB”). These practices require that the financial statements conform to accounting principles generally accepted in the United States of America. The financial statements presented are only for WYCC-TV20, and are not intended to present the financial positions or results of operation of City Colleges.

The financial statements of WYCC-TV20 have been prepared on the accrual basis of accounting. Restricted funds are reported as revenue when expended. Grant funds that are attributable to future expenses are reported as deferred revenue. Expenses include all liabilities for goods and services actually received as of the June 30 fiscal year end.

Use of Estimates—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents—To better manage the resources of City Colleges, all of its cash is accounted for on a pooled basis. Cash at June 30, 2006 and June 30, 2005 represents WYCC-TV20’s share of the pooled cash.

Donated Facilities and Administrative Support—Donated Facilities by City Colleges, consisting of office and studio space and related occupancy costs, are recorded in revenues and expenses based on allocations of actual expenditures of the City Colleges. Administrative support from City Colleges consists of allocated financial and administrative costs and certain other expenditures incurred by City Colleges on behalf of WYCC-TV20.

Contribution from the City Colleges of Chicago-The level of contribution from City Colleges recognized as revenue by WYCC-TV20 is the amount necessary to result in a change in total net assets equal to the difference between the non-cash depreciation expense and the resources from capital appropriations and grants.

NOTES TO BASIC FINANCIAL STATEMENTS (CONTINUED)

Capital Assets—Capital assets are recorded at cost on the date of acquisition, or at fair market value in the case of gifts, and are recorded in the fixed asset group of accounts. Purchases of fixed assets are recorded as expenditures of operating funds. Prior to fiscal year 2006, WYCC-TV20 has followed City Colleges’ capitalization policy of \$5,000 per item for past and future furniture and equipment and recorded accumulated depreciation to date.

In fiscal year 2006, City Colleges adopted a new capitalization policy where all equipment which has a cost or net book value of \$25,000 or more with an estimated useful life greater than one year be capitalized. Due to the new policy, all equipment under this threshold was written off, which amounted to \$223,411, and in addition increased depreciation expense by \$130,746 for the fiscal year.

WYCC-TV20’s major capital asset is its transmitter and antenna which has a life of 8 years and is depreciated using the straight-line method. Expenses for repairs and maintenance are charged to operations as incurred. The following is a summary of changes in the capital assets for 2006 and 2005:

	Beginning Balance	Disposals	Additions	Ending Balance
Cost	\$2,928,747	\$ (223,411)	\$ 0	\$2,705,336
Accumulated depreciation	<u>(790,596)</u>	<u>223,411</u>	<u>(473,729)</u>	<u>(1,040,914)</u>
Net book value June 30, 2006	<u>\$2,138,151</u>	<u>\$ 0</u>	<u>\$ (473,729)</u>	<u>\$ 1,664,422</u>
Cost	\$2,789,482	\$ 0	\$ 139,265	\$2,928,747

3. LEASES

On October 1, 1999, City Colleges renewed a lease agreement with John Hancock Mutual Life Insurance Company (SRI Michigan Avenue Venture LLC) for transmitter and antenna space. On May 1, 2003, City Colleges entered into an agreement with John Hancock Center (SRI Michigan Avenue Venture, LLC) to lease additional space. The terms of the amendment require that "tenant's rental of the new space shall be included and coterminous with, and subject to all terms of, the existing lease which expires on September 30, 2014." The amended lease required annual minimum payments of \$532,761 as well as provisions to adjust for increases in the Consumer Price Index and additional landlord costs. Lease expense for the years ended June 30, 2006 and 2005 totaled \$519,402 and \$508,456, respectively.

The following is a schedule by year of future minimum rental payments required under the lease agreement:

Year Ending June 30	Amount
2007	\$ 538,612
2008	554,770
2009	556,487
2010	570,197
2011 - 2015	<u>2,619,034</u>
Total at June 30, 2006	<u><u>\$4,839,100</u></u>

4. SUBSEQUENT EVENTS

WYCC-TV20 Federal Communications Commission (FCC) license to broadcast expired on December 1st, 2005 and is operating on a temporary license pending approval by the FCC of its renewal application filed on July 27th, 2005. All Chicago-based television stations' renewal applications have been included in a blanket challenge by a third party. The District and its outside FCC counsel believe that the challenge is without merit.
