Dear Mr. Powell:

We have received the on-site evaluation results for your Automobile technician-training program at Kennedy King College. The results indicate that the criteria have been met for renewal of program accreditation in Maintenance and Light Repair.

We commend you and your staff for maintaining your program's standards and continuing to meet the industry's requirements. The explosion in automotive technology makes your high-quality automotive training program more valuable than ever.

To acknowledge your accomplishment, we are creating a plaque insert for you that will recognize your school and the level of accreditation your program has achieved.

Congratulations!

Sincerely,

Michael Coley
