Common Assessment

- Working to move each discipline forward in Common Assessment phase; Departments need to move to phase 2 by filling out phase 2 form.
- Most departments have completed phase 1, now time to complete phase 2 activities.
- Several departments still need to complete phase 1 by completing goal sheet planning and Common Assessment instrument; some departments missing one or both.
- Not very many departments have filled out phase 2 forms

Communications

- 168 samples have been collected from selected participators.
- The names of students and professors have been redacted in order to ensure privacy.
- Rubric norming has been implemented.
- Now will be moving on to scoring and analysis.
- Will have data in the fall.

Quantitative Literacy

- Next ILO to assess.
- The rubric has been put together.
- Working on building a framework of expectations to give clear understanding of student success.
- Have reached out to dept chairs to identify courses that could be used in Quantitative Literacy assessment.
- Once potential courses are identified, a sample will be created, and instructors notified.

Co-Curricular

- All mission statements have been revised.
- Departments have provided rough drafts of new SLOs.
- Committee provided randomized feedback and made changed to SLOs.

General Announcements

- Continuing with strategic assessment plan as well as Common Assessment disciplines.
- The plan for the next campus-wide ILO assessment will be Technology Fluency.
