- **Strategic Assessment Plan**

- **Assessment Town Hall Meetings**
 - 2nd Assessment Town Hall in November 2020 Date: TBA

- **Program Review**
 - Michael Johns stated they just had a meeting and submitted data request to District Office Decision Support team. Next they will be completing the narrative piece and Dean Crawford wants it by the first of the month. KKC is way ahead of schedule in comparison to the rest of the district. A new committee District-wide for Program Review was created just to cross reference what all the campuses are doing.

- **CCSSE**
 - On October 1, 2020 CCSSE had a webinar with institutions interested in participating in the online CCSSE 2021. Dean Landrum and VP didn't attend, but they have the recording of the webinar and will review. They don't think that it will be beneficial for us to participate in CCSSE for upcoming spring 2021.

Fall 2020 Assessment Activity

- The Student Experience COVID-19 Impact Survey – Dean Landrum met with Decision Support to review the questions and provide feedback. Decision Support will be able to pull rosters out of OpenBook so we won't need all of the demographic questions. Each student has a specific link to the survey and when that student responds to the survey it will be coded so we would know what student answered what.
