

General-Body Meeting Agenda

Room: W-100

Time: 2:00 PM-4:20 PM

March 5, 2019

The Assessment Committee would like to invite you to attend our general body meeting and program review presentations. The [ICCB Program Review](#) allows programs determine the following:

- Budget allocation
- Continuous improvement efforts
- Department needs
- Enrollment and completion data trends
- Program health
- Strengths and weaknesses
- Strategic goals
- Sustainable interventions

The opportunity to share presentation findings enables a program to develop a culture of reviewing the past while strategically planning for the future.

The presentations are led by the chair, dean/director, or faculty designee for a department. As part of the program review, our colleagues will present to the Assessment Committee and KKC community on the following date and time:

Date: Tuesday, March 5, 2019

Time: 2:00-4:20 p.m.

Location: Y-107
