WINTER 2021 | ISSUE V

5 TIPS TO HELP YOU PREPARE FOR THE NEW SEMESTER

- 1. GET ORGANIZED.** The first step to managing your stress throughout the school year is to be in control of your academic responsibilities and prioritize.
- 2. BUY OR RENT** Your textbooks before the first day of class. With the supply chain shortage physical books have been hard to obtain, definitely order before the semester starts.
- 3. ADJUST TO A NEW SCHEDULE.** Your spring schedule of classes may require you to adjust your time to get to class or study. Keep a calendar on your phone to make sure you stay on track.
- 4. HAVE A PLAN.** What are your goals you want to achieve in the spring? Make a plan and share with a trusted advisor (academic advisor, mentor).
- 5. GET INVOLVED.** Get to know faculty and staff on campus people serve as resources of support on campus.

DIDN'T GET THE GRADE YOU EXPECTED? YOU HAVE THE RIGHT TO APPEAL!

In the Student Policy Manual (online) Section 3.16 Appeal Instructional Grading, Academic Dishonesty or Enrollment Status you have the right to appeal your grade and there is a process that you must follow.

a. Appeals – Final Grade or Academic Dishonesty

Students may appeal a final grade or a finding of academic dishonesty (see [Academic Integrity and Dishonesty](#)) following the prescribed process. Only the final grade or a finding of academic dishonesty for a course may be appealed (individual assignment or examination grades may not be appealed). An appeal may be initiated if the student:

- Is able to demonstrate that an inappropriate final grade was assigned as a result of prejudice, caprice, or other improper conditions such as mechanical error or assignment of a final grade inconsistent with those assigned other students
- Wishes to challenge a finding of academic dishonesty and/or a reduction of the final grade

b. Grade Appeals Process

Grade appeals must:

- Be initiated by the student within thirty (30) calendar days after the student's final grade is posted in the student information system

- Conclude within one term (excluding the Summer term) of the original final grade's assignment (one additional term will be allowed for Incomplete ("I") grades), and
- Follow the prescribed final grade or academic dishonesty appeal process.

c. Appeals – Final Enrollment Status

Beginning with the Spring 2018 term, students may appeal their final enrollment status within thirty (30) days of the end date of the term during which the non-grade designation was applied by contacting the [Office of the Registrar](#) of the college where the class was offered. See [Non-Grade Designations](#) for more information.

A change will only occur when it is a documented error on behalf of the institution or for legitimate academic reasons. Changing student records solely for financial purposes (such as to reduce or eliminate a charge) is prohibited and a violation of CCC policy.

Note: questions regarding NSWs or ADWs issued to students during the term should be directed to the instructor. See [NSW – No-Show Withdrawal](#), [NSW – No-Show Withdrawal from Online Courses](#), [ADW – Administrative Withdrawal](#), and [RNS – Reinstate \(in a Class\)](#).
