Dear Harold Washington College Community,

Registration for the Fall 8-week term ended this week. Nearly 200 students are enrolled in the final term of the semester. The 8-week mini-term is an excellent option for students interested in early graduation or transferring to a 4-year university. It is also great for students who enjoy smaller class sizes. Mini-term classes are usually smaller in size, which allows for more one-on-one time with faculty and your peers. I want to wish our students and faculty well as they start a new term.

I would also like to remind the College community that spring pre-registration has begun. Our Enrollment Management team has been hard at work meeting with key stakeholders in the community -- many virtual visits with high schools and local non-profits are already happening. With the help of HWC Student Ambassadors, targeted outreach is taking place for students that have taken courses but have not yet completed their intended academic program and those who applied in the fall but did not enroll. With that, I hope all of you can help me promote *Phoenix Pride*, our Spring Registration Campaign. Starting today, below are simple steps you can take to support our registration efforts. As a reminder, open spring registration begins November 4<sup>th</sup>.

#### *Phoenix Pride Tools & Resources*

1. Include this [Spring Registration Email Banner](#) in your email signatures (click [here](#) for directions on how to add an image to your email signature).
2. Become familiar with ways to register with this [Spring Registration Information Sheet](#).
3. Share this [Spring Registration TO-DO List](#) with students and your peers.

We have a lot of work to do, but I know together, we will meet our spring registration goals.

As always, I have office hours via [Zoom](#) every Wednesday, from 3:30 pm – 4:30 pm. Please feel free to connect with me.
