

## COLLEGE UPDATES

FROM THE OFFICE OF THE PRESIDENT

Dear Harold Washington College Community,

I hope all of you are enjoying the summer. It has been reported that the State of Illinois is showing significant progress in the number of new coronavirus cases. I hope this trend continues. In the meantime, please stay safe as we enter the next phase of the state's reopening plan.

As a reminder, this Summer, College Update communications will be sent out bi-weekly. And, my office hours will be held on the last Wednesday, from 3:30 - 4:30 p.m., of each month.

Here are the College Updates for this week:

- Last week, the College hosted its first (of many more to come) *Forum for Black Lives*. Click [here](#) to view the recording.
- For non-essential staff and other visitors, there is a new process in place to access the building. Effective immediately, an Onsite Visit Request Form is now required. Click [here](#) for instructions.
- A campus Reopening Plan for the Fall is underway. The plan identifies critical actions needed for a "rolling" reopening.
- The search for a new Vice President and Dean for Academic Affairs is still in progress. The goal is to onboard a new leader by August 1.
- **Congratulations to the graduates!** The City Colleges of Chicago Class of 2020 Virtual Commencement Ceremony will be available for viewing online at 9 a.m., Saturday, June 27. A link will be available at [ccc.edu/graduation](http://ccc.edu/graduation).
