

OFFICE OF THE PRESIDENT

Daniel López, Ph.D.

Dear Harold Washington College Community,

This week our early college students participated in the 3rd cohort of the Architecture Teen Fellows Program, at the Chicago Architecture Center. The student's projects showcased sustainable architecture. I was amazed to learn about sustainability solutions to existing buildings and empty lots in the South Shore neighborhood. Program participants are expected to earn a basic certificate (BC) in Architecture Digital Media in Spring 2023.

Thank you to Kim Bowens, Christine Marriott, Aimee Krall-Lanoue, and Ivanhoe Tejada for working with the students this summer.

Every Friday is Phoenix Friday! You are encouraged to wear your Phoenix T-shirts or polo shirts. If you have not picked up your college apparel, please visit my office for assistance.

As a reminder, [Fall registration](#) remains open. Please continue to share with your communities.

As always, I am open to talking about your ideas. Feel free to join me during my office hours on Wednesdays from 3:30 pm – 4:30 pm for faculty, staff, and students via [Zoom](#) and Thursdays from 5 pm – 6 pm for HWC (Harold Washington College) students via [Zoom](#).

Have a great weekend!
