

HAROLD WASHINGTON COLLEGE  
CITY COLLEGES OF CHICAGO

# OFFICE OF THE PRESIDENT

Daniel López, Ph.D.

Dear Harold Washington College Community,

This week we held our Fall 2022 State of the College. I am grateful for your participation and engagement at this hybrid event. The focus of the program was to celebrate our accomplishments, recognize members of our college community for their exemplary service and share our college priorities and initiatives for this academic year. A special thank you to Elmer Felipe, Vice President of Student Government Association and Professor LaNisha Thomas, Faculty Council President for their participation. As I mentioned at today's event, we have lots of reasons to celebrate, but we also have lots of opportunities to strengthen our college. Therefore, this year we will focus on student recruitment and retention; hiring, retention and promotion for faculty and staff; campus improvements; marketing of the college and academic programs; and strengthening college-wide communications and engagement.

I want to thank members of the cabinet, especially Linh Williams, and Maggie West for the planning of the event. I would also like to thank Lizette Perez, Brandon Hopkins and the IT staff from HWC and district office, and facilities, security staff for their engagement and support.

I am truly humbled to be part of Harold Washington College community and look forward to your engagement and participation in college-wide committees and events this academic year. View the State of the College address, please click [here](#).

As always, I am open to talking about your ideas. Feel free to join me during my office hours on Wednesdays from 3:30 pm – 4:30 pm for faculty, staff, and students via [Zoom](#) or in person and Thursdays from 5 pm – 6 pm for HWC students hosted by Dean Jackie Werner via [Zoom](#).
