

## OFFICE OF THE PRESIDENT

Daniel López, Jr., Ph.D.

Dear Harold Washington College Community,

We recently began the exterior façade restoration project, and our new look will debut in late spring 2022. The façade improvements will restore the finish of the pre-cast concrete panels and modernize the exterior of the building. Thanks to the hard work of VP Lusk, and his team, we were able to add some cosmetic improvements to the scope of work. In addition to the required work, we're repainting the building exterior, the first floor anti-graffiti window film will be replaced, the main entrance canopy will be upgraded, and the outdoor building signage will be replaced.

During these next few months, you may experience some drilling and grinding noises; *please bear with us* as we make these improvements. In addition to these upcoming changes to the building exterior, we've also made some cosmetic changes internally and more to come.

Please join me in congratulating our new 2021-2022 Harold Washington Faculty Council officers. Elected by their peers, our 2021-2022 officers are: LaNisha Thomas, President; Fernando Miranda-Mendoza, Vice-President; and Allan Wilson, Secretary. Our new officers have strong external reputations in their fields and excellent records of teaching and service at Harold Washington. I'm excited to see the innovation that this team will bring to our college. I also want to extend my deep appreciation to the 2020-2021 officers for their dedicated service.

Next week is our last full workweek in November, so I hope that everyone has a restful weekend.
