

## OFFICE OF THE PRESIDENT

*Daniel López, Jr., Ph.D.*

Dear Harold Washington College Community,

This week was quite eventful for many of us, so I'm hoping that this weekend allows each of you to rest and recover. We were delighted to have met with Ms. Bi-Khim Hsiao, Representative, Taipei Economic and Cultural Office (TECRO), Washington, DC, U.S.A, during her recent trip to Chicago. She took part in a \$10,000 gift presentation by the Friends of Taiwan Foundation to support cultural exchange and student learning of international trade here at Harold Washington College. We ended the week by celebrating a year of accomplishments by way of our annual State of the College address. If you missed the virtual event, please click [here](#) to view the video and use Access Passcode: syls5Ze9. If you would like to view the presentation slides click [here](#).

Next week's weather is expected to be a bit more like fall, which is perfect movie weather. So be sure to tune in to the Library's Kanopy information session on Tuesday, October 5th at 1 pm. Kanopy is an on-demand streaming video service that offers award-winning and critically acclaimed films and documentaries to public libraries and higher education institutions, for free! Please register for the information session [here](#). In addition, in honor of Mayor Harold Washington's 100th birthday celebration, the Mayor Harold Washington Legacy Committee is hosting a "Come Alive October 5" event celebrating the power of voter registration in the life and legacy of Mayor Harold Washington. The event will be held at the University of Illinois, 725 W. Roosevelt Rd, Dorin Forum Room D-E-F. For more information, please contact MHLC83@gmail.com.

Reminder: Stay safe and wear a mask!

I am always open to talk about your ideas. Feel free to join me during my office hours via [Zoom](#) next Wednesday from 3:30 pm – 4:30 pm. Have a great weekend.
