HAROLD WASHINGTON COLLEGE CITY COLLEGES OF CHICAGO

# OFFICE OF THE PRESIDENT Daniel López, Ph.D.

Dear Harold Washington College Community,

This week our campus celebrated our students in various ways as commencement approaches. I had a wonderful time attending the grad reception with our students and their families. Listening to the students' testimonies touched my heart as they spoke about the supportive impact HWC made on them. It brings me such joy to see that despite the hardships our students have endured they have remained focused and determined to accomplish their goals.

I encourage you all to listen to our graduating student, Frank Logan, and Veronica Herrero, Chief of Strategy and Staff, <u>speak with WBEZ</u>, about going back to school as an adult student. Stories like his remind me how important it is to continue the hard work that our college community needs.

I look forward to attending commencement and seeing faculty and staff participate and assist in making this event memorable for our students and their families. I encourage you to visit the <u>CCC Commencement page</u> to watch the ceremony and cheer our graduates on.

As a reminder, we will continue this semester with Phoenix Days! You are encouraged to wear your Phoenix wear any day of the week to show off your Phoenix Pride. If you have not picked up your college apparel, please visit my office for assistance.

As always, I am open to talking about your ideas. Feel free to join me during my office hours on Wednesdays from 3:30 pm – 4:30 pm for faculty, staff, and students via  $\underline{\text{Zoom}}$  or in person. On Thursdays from 1 pm – 3 pm office hours students, faculty, and staff will be held via  $\underline{\text{Zoom}}$  with Theresa Carlton, Vice President of Academic and Student Affairs.

The unique feature of the new backlight is that the college can control the color. Construction for the Wabash Street sign has begun with an expected installation date sometime in late May.

#### o Security

• There will be a significant presence of both uniformed and undercover officers this weekend, in addition to private security and additional technology resources. Several tactics are being discussed to act as a deterrent to large crowds, including drones and police vans. Additionally, CPD officers will be posted at Loop theaters and the Chicago Riverwalk for the safety of Loop visitors and venue patrons.

• CTA 'L' platform checks will be conducted throughout the weekend with CPD foot patrols. CPD is monitoring ridership data every hour and uses the data to analyze if any large groups may potentially be heading to the Loop. You may note an increased police presence at the Red Line stops and at the State and Lake station, Dearborn and Wabash stations.
