Program/Discipline Assessment Midyear Update**

Program/Discipline: Department of Biology	Coordinator: Alicia J Anzaldo
Date: November 30, 2007	Department Chair: Alicia Anzaldo & Henry Herzog

Assessment Plan to Date

<p>Completely describe all actions that have occurred since August 2007 with respect to your department's Assessment Plan.</p> <p>Attach any relative documents (rubrics, surveys, other assessment tools).</p>	<p>GRID 2: Despite departmental data indicating that students are concerned about environmental issues, further data indicates that these students are not actively involved in contributing or volunteering their time to help the environment.</p> <p>Students were given an environmental competency quiz (attached) the first week of classes to test their knowledge regarding environmental concerns.</p> <p>During the past 12 weeks of the semester, students have been exposed to environmental concerns and have been presented with numerous opportunities to volunteer their time and participate in their communities.</p> <p>A post-survey (attached) has been constructed and will be issued to these students the last week of classes to measure their intent to continue their contributions to the environment following the end of the semester.</p>
<p>Are there any obstacles to the implementation of the plan that the Assessment Committee should know about or can assist with?</p>	<p>There are no obstacles at this time.</p>
