# How to Take Your Math Placement Exam

1. Log in to your portal at **my.ccc.edu**

2. Click on **Academic Records**   **3**. Click **Placement Testing** on the left side menu

4. Click on **Complete CCC Math Placement**

Status	Subject	Placement Test	Eligibility	Date
✔	**Math**	MATH 125-1 - Introductory Statistics		Spring 2021
	Complete CCC Math Placement			

The math placement can be taken up to **five times**; your first attempt can be completed off-campus on a computer using the student portal at **my.ccc.edu**.

Do not use a tablet or phone to take the Math placement test.

Every attempt **after** your first must be taken **on campus**, and you must complete 3 hours of the learning module after each attempt. **This must be done before you take your exam on campus.**

How to Take Your English Placement Exam

The English Placement test requires students to take it on campus site. Before coming onto campus, make sure you have a photo ID.

1. Come to the Testing Center located in the **Learning Resource building L131**.

2. Check in at the front desk and wait to be shown to the testing room.

➢ English Placement exams are being administered by **Walk-In Hours only**, no appointment necessary. Nightly Thursday appointments are **currently unavailable.**

Walk-In Hours

Monday: 9am-2pm

Tuesday: 9am-2pm

Wednesday: 9am-2pm

Thursday: 9am-3pm

Friday: 9am-10am
